

The Aetna HealthSM app and Aetna[®] member website

Empower your employees
with these digital tools

Your employees can connect with care and manage their benefits — at home or on the go. The Aetna Health app and Aetna member website are personalized and easy to use, so your employees can:

Take charge of benefits

- View health plan summary and get detailed information about what's covered
- Track spending and progress toward meeting deductibles
- Access digital ID card whenever needed

Manage claims

- See up to two years of claims details
- Pay claims
- Submit claims digitally through the member website

Connect with care

- Search for in-network providers, facilities and medications
- Get cost estimates for visits and procedures before an appointment*
- Speak with a doctor by phone or video 24/7 from anywhere

*Estimated costs are not available in all markets or for all services. We provide an estimate for the amount you would owe for a particular service based on your plan at that very point in time. It is not a guarantee. Actual costs may differ from an estimate for various reasons including claims processing times for other services, providers joining or leaving our network or changes to your plan. Health maintenance organization (HMO) members can only get estimated costs for doctor and outpatient facility services.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance Company and its affiliates (Aetna).
