

STRESS MANAGEMENT SURVEY

The goal of this tool is to help you identify the biggest sources of stress in your life today. Pay attention to where you score the highest and think about ways you can target your coping strategies in these areas.

On a scale of 1 to 10, rank the level of stress you feel right now.

Work

Is there a clear separation between work and home? Are you frustrated with your colleagues or boss? Are expectations at work set impossibly high?
