## TABLET TALK

**This Week's Tip of The TabletTalk Top Hat** goes to St. John's University Bread and Life's Sponsor-a-Family Program, which fed more than 2,000 families and provided more than 5,000 children with food, clothing and toys at Christmas time.

More than 500 volunteers distributed items to needy families. Participation included 17 Catholic schools.

Bread and Life runs a soup kitchen in Brooklyn, which provides daily meals as well as social services to those in need. To learn more, visit [www.breadandlife.org](http://www.breadandlife.org).
