Education

PhD, Library and Information Science	2004	School of Information The University of Texas at Austin Dissertation: <i>Information Acquiring-and-sharing in Internet-based Environments: An Exploratory Study of Individual User Behaviors</i>
MLIS	2001	Graduate School of Library and Information Science The University of Texas at Austin
Certificate, Czech language	1995	Ústav jazykové a odborné přípravy, Univerzita Karlova v Praze (Institute of Linguistic and Professional Training, Charles University), Prague, Czech Republic
MA, Journalism	1991	College of Communication The University of Texas at Austin Thesis: <i>Inhalant Abuse in South Texas: A Baseline Study of the Knowledge, Attitudes and Behaviors of Mexican-Americans in Laredo, Texas</i>
BA, Journalism	1988	Manship School of Mass Communication Louisiana State University

Teaching and Training

Taught (via the Web and in-person) graduate library and information science courses on research methods, collection development, reference, media production, website usability, and information needs and behaviors.

Assisted in teaching graduate library and information science courses on business resources and legal informatics.

Designed and delivered corporate training curricula for healthcare systems and pharmaceutical firms. Topic areas: strategic planning, market research, statistical process control, change management.

Research Activities

Currently examining individuals' information sharing behaviors in Internet-based environments.

Provided planning and qualitative research support for a website usability project sponsored by the Institute of Museum and Library Services.

Designed survey instruments and discussion guides for library website usability studies, employee feedback studies, physician and patient satisfaction studies and community surveys.

Supervised community-wide research projects that focused on health behaviors and health care provider choices.

Conducted focus groups in healthcare organizations, social service agencies, and libraries for market research and academic studies.

Interviewed physicians, health care executives, electronic information users (general) and professional librarians for strategic planning projects.

Library

Provided reference and research services to scientists, engineers, executives and university students using electronic and printed reference sources. Provided bibliographic instruction to these constituencies.

Coordinated library administration functions: materials acquisition, cataloging, circulation, document delivery, serials maintenance, information technology support and interlibrary loan.

Employment

- 2005 - Assistant Professor
Division of Library and Information Science
St. John's University, Queens, New York
- 2004 - 2005 Assistant Professor
Department of Library and Information Studies
The University of North Carolina at Greensboro
- 2002 – 2004 Instructor
Department of Library and Information Studies
The University of North Carolina at Greensboro
- 2001 – 2002 Visiting Instructor
School of Library and Information Science
The University of South Florida, Tampa
- 2001 Librarian
Austin Community College
Austin, Texas

2001	Funded Research Associate The General Libraries The University of Texas at Austin
2000 - 2001	Library Tech Electronic Information Center Perry-Casteñeda Library The University of Texas at Austin
1999	Funded Research Associate SBC/TRI, Inc. Austin, Texas
1998	Librarian SEMATECH, Inc. Austin, Texas
1996-1998	Market Research Consultant Austin, Texas
1992-1996	Research/Training Associate Quantum Learning Systems, Inc. Austin, Texas

Awards and Grants:

International Travel Award, The University of North Carolina at Greensboro, 2004.

University Continuing Fellowship, The University of Texas at Austin, 2001-2002.

David Bruton, Jr., Continuing Fellowship, The University of Texas at Austin, 2000-2001.

Robert R. Douglass Memorial Endowed Presidential Scholarship, The University of Texas at Austin, 2000-2001.

C. Glenn Sparks Endowed Presidential Scholarship, The University of Texas at Austin, 1999-2000.

Philip Tocker Endowed Presidential Scholarship, The University of Texas at Austin, 1998-1999.

Texas Public Education Grant, The University of Texas at Austin, 1997-1998, 2001.

Professional Memberships

American Library Association (ALA)

SIGS: Social Responsibilities Roundtable, Open Source Systems, LITA

American Society for Information Science and Technology (ASIS&T)

SIG USE

Association for Computing Machinery (ACM)

Association for Library and Information Science Education (ALISE)

National Association to Promote Library and Information Services to Latinos and the Spanish Speaking (REFORMA)

Progressive Librarians' Guild
