Application Instructions

SCHOOL OF LAW

St. John's University School of Law welcomes your application and seeks to make every effort to ensure that the application process is as straightforward and clear as possible. Please call (718) 990-6474 if you have any questions or if you need additional information.

Application Dates

Applicants to the fall semester should submit application materials before *April 1* to receive priority consideration. Applications will be considered when all application requirements are met and applicants will be notified as decisions are made. Applications received after the April 1 priority date will be considered and decisions rendered on a space-available basis.

Undergraduate Transcript Requirement

All admitted applicants will be required to submit an official, final transcript of their complete undergraduate academic record to St. John's University School of Law by mid-August in order to enroll. The transcript must unequivocally indicate both the award of a baccalaureate degree and the date it was conferred. A photocopy or a copy of a transcript provided by LSDAS is not acceptable, nor is a photocopy of a diploma.

Equality of Opportunity

It is the policy of St. John's University School of Law not to discriminate in its educational program, admission policies, financial aid programs, employment practices, and other school-sponsored activities on the basis of race, color, religion, sex, sexual orientation, marital or parental status, national or ethnic origin, age or disability.

Bar Admission

Applicants to law school should contact the official bar admission agency in the jurisdiction where they plan to practice. Initially, it is important to determine if there is a requirement to register with the agency upon entrance to law school in anticipation of applying to take a bar examination upon graduation. To prepare themselves accordingly, applicants also are advised to familiarize themselves with the rules governing admission to the bar in the jurisdictions in which they intend to practice. For those applicants who anticipate admission to the New York Bar, please be advised that you are not required to contact the State Board of Law Examiners prior to commencing law school.

Application Requirements

First-Year Law Students

(Students applying to the J.D. Program)

Applicants are required to submit:

- a completed, signed, and dated St. John's University School of Law application form;
- a \$60 nonrefundable application fee—applicants may provide a check or money order made payable, in U.S. funds, to St. John's University; and
- Law School Admission Test (LSAT) and Law School Data Assembly Service (LSDAS) subscription.

All applicants to the Juris Doctor (J.D.) degree program offered by St. John's University School of Law are required to take the Law School Admission Test (LSAT) and be registered with the Law School Data Assembly Service (LSDAS). Application Requirements

Graduates of Foreign Undergraduate Institutions Applying for a J.D.

St. John's University School of Law requires that your foreign transcripts be submitted through the LSAC J.D. Credential Assembly Service (CAS). If you completed any postsecondary work outside the U.S. (including its territories) or Canada, you must use this service for the evaluation of your foreign transcripts. (The one exception to this requirement is if you completed the foreign work through a study abroad, consortium, or exchange program sponsored by a U.S. or Canadian institution and the work is clearly indicated as such on the home campus transcript). This service is included in the LSDAS subscription fee. A Foreign Credential Evaluation will be completed by the American Association of Collegiate Registrars and Admissions Officers (AACRAO), which will be incorporated into your LSDAS report.

To use the J.D. CAS, log in to your LSAC online account and follow the instructions for registering for the service. Be sure to print out a Transcript Request Form for each institution and send it promptly to them. More time is usually required to receive foreign transcripts.

Questions about the J.D. Credential Assembly Service can be directed to LSAC at 215.968.1001, or LSACINFO@LSAC.org.

Transfer Students

Based upon availability, admission is offered to transfer applicants who have demonstrated sufficient capacity to successfully complete the program of studies who generally have achieved grades at the 'B' level or higher through the first year of attendance at another ABA-approved law school. Advanced standing is granted for no more than one-third of the St. John's University School of Law Juris Doctor requirements, as determined by the Office of the Dean subsequent to admission. Transfer credit is not extended for work completed with a grade below a 'C' or its equivalent, or for work completed in pre-admission programs. The deadline to apply to the fall semester is June 1, and the deadline for the spring semester is December 1. In addition to an application, transfer candidates must submit:

- a \$60 nonrefundable application fee;
- a letter from the dean's office of the law school in which the applicant is enrolled indicating good academic standing and unconditional eligibility to enroll;
- an official, current law school transcript;
- a copy of the applicant's LSDAS report (a photocopy from the school currently attended is acceptable); and
- a statement describing the reasons for wanting to transfer.

Visiting Students

A student currently enrolled and in good standing at an ABA-approved law school may apply to attend St. John's University School of Law as a visiting student. The deadline to apply for the fall semester is June 1, and the deadline for the spring semester is December 1. Visiting students are required to submit:

- a completed, signed, and dated St. John's University School of Law application form;
- a \$60 nonrefundable application fee;
- a letter of good standing from the dean's office of the law school in which the applicant is enrolled indicating the semesters the student is permitted to visit and setting forth any conditions with respect to the transferability of credits to be earned; and
- an official current law school transcript.

Electronic Application

We accept applications that have been prepared using the Law School Admission Council's online service. These products allow you to use your computer to efficiently fill out applications for all ABA-approved law schools. You can print out your completed application and send it directly to St. John's University School of Law, or you can use the LSAC online services to electronically transmit your law school application to LSAC. If you are concerned about any facts that may affect your ability to be admitted to practice law, you should discuss the matter with the Board of Law Examiners or the appropriate Committee on Character and Fitness in the jurisdiction in which you intend to practice.
