

Know Your Password: Computer/Email

User name: first seven letters of your last name and the first letter of your first name; e.g. John Smith "smithj"

Password: initially your 8-digit number on your Stormcard.

Log on to: D_QMST_01

Use the drop down arrow if necessary to select D_QMST_01

If you do not see - Log on to – click the Options button.

Changing your Password on a computer on campus:

You can change your password by holding down the Ctrl and Alt keys and pressing the Del key. You will be prompted to put in your original password and select a new password. Your password should be at least 6 alphanumeric characters.

When you change your network computer password your email password changes as well.

Faculty who log on to a university laptop at home will be asked for the same user name and password.
