Cox Television Rep Firms: TeleRep - HRP - MMT	Communications	www.telerepinc.com	Sales Assistant - works closely with the account executives on every aspect of securing and processing orders for our client television stations. Working with the account executive allows the sales assistant a window of opportunity that provides valuable insight into the tremendously lucrative and upwardly mobile position that a career in television sales offers. The sales assistant position is an important link in the chain that extends from the advertising agency to the television station. Research Analyst - provides the company and client station salespeople with the marketing material they need to sell advertising time on our stations. The responsibilities include processing and analyzing audience reports to evaluate and produce sales/marketing tools, serving as a liaison between station management and the research department, assisting in special projects for management or client stations and attending sales meetings.

Abercrombie & Fitch	Business/Industry	www.abercrombie.com/careers	Manager in Training- The A&F training program is a comprehensive hands on and online 90-day plan focused on immersing the trainee in all aspects of running a store. Training is conducted in any of our domestic or international locations, and is broken down into weekly increments of focus. Each period the trainee will shadow a different member of the management team providing exposure to all principles of management. The store manager will conduct weekly performance assessments. An MIT must successfully complete 90-day training program to be promoted into an Assistant Manager position. Ideally, progression from the Manager in Training program to Store Manager should be within 8-10 months.
