Subject: Ronald H. Brown Center's Summer Law School Prep Program

Last week the Ronald H. Brown Center sponsored the Summer Law School Prep Program for College Sophomores, the purpose of which was to encourage minority students to apply to law school. The Prep Program was a resounding success. I want especially to thank Professor Baynes who was the driving force behind the Prep Program as well as the faculty and staff who so generously gave of their time: Professors John Q. Barrett, Christopher J. Borgen, Elaine M. Chiu, Robert A. Ruescher, Janice Villiers, Assistant Dean Robert M. Harrison, Dorothy Moran, Nancy Brady, Dina Macchia, Susan Louie and Luisa Asaro.

The Prep Program was featured in an article in the *New York Law Journal*. A copy of the article is attached.

I intend to continue the Prep Program next year and would like to expand it from one week to two weeks. If you can suggest possible funding sources, please let me and Professor Baynes know right away.
