2. Once you submit the required information, an STA travel agent will process your request and email you an itinerary along with payment instructions. This process can take up to 2 business days. Do not contact STA with payment until you have received an itinerary and further instructions.

3. Once you receive an itinerary, you will have 2 days to submit full payment. Please note that itineraries can only be held for 2 days, after that point your reservation is no longer valid.

While flights will continue to be subsidized after November 8, prices could increase by as much as $300 so book as soon as possible to get the best deal!

*The subsidized flight price is contingent upon departure from the New York City area. Departures from other cities are still subsidized but the overall cost of the ticket may be higher.

*The flight price does not include the cost of the $25.00 ISIC card fee needed in order to book a flight through STA. This card gives students access to over 42,000 exclusive benefits (discounts, insurance, etc) around the world. Check out [www.isic.org](http://www.isic.org) for details.
