St. John’s University
College of Pharmacy and Health Sciences
is proud to announce the

56th Annual Dr. Andrew J. Bartilucci Pharmacy Congress

2015 Mandates – Are You Ready?

Tuesday, February 24, 2015
8:45 a.m. – 4 p.m.
D’Angelo Center
Queens campus

PROGRAM AGENDA:

8 a.m.
Registration and Check-In
Continental Breakfast
D’Angelo Center, 4th floor Ballroom

8:45 a.m.
Welcoming remarks
Russell DiGate, Ph.D., Dean, College of Pharmacy and Health Sciences

9 a.m.
cGMP and Potential Directions for the Revision of USP <797> (#0043-0000-15-016-L05-P) (0.1 CEU)
Scott Sutton, Ph.D., Microbiology Network, Inc.
At the conclusion, participants are able to:
• Discuss the interrelation and common aspects of USP <795>, <797> and cGMP as outlined in 21 CFR 211
• Describe and implement changes to practice based on principles of contamination control
• Prepare for potential changes in USP <797>

10 a.m.
Improving the Safety of Compounded Sterile Preparations (#0043-0000-15-017-L05-P) (0.15 CEU)
Louis S. Diorio, R.Ph., FAPhA, LDT Health Solutions, Inc.
At the conclusion, participants are able to:
• Evaluate their current compounding program
• Identify key characteristics of qualified outsourcing providers
• Describe the strategies, products and services available which can assist a compounding pharmacy or health system in complying with the documentation and collection of critical Quality Management data
• Outline the steps involved in developing an action plan to aid the compounding operation’s compliance plan for CSP compounding for all personnel.

11:30 a.m.
Buffet Lunch
**Electronic Prescribing Update** (#0043-0000-15-018-L01-P) (0.15 CEU)
Tracy Russell, B.S., M.A.T., Executive Director, PSSNY; Charles R. Catalano, B.S., B.A., R.Ph., President, PSSNY

At the conclusion, participants are able to:
- Define electronic prescribing in NYS regulations – as it relates to pharmacy
- Identify the timeline for electronic prescribing
- Describe the requirements for the practitioner – the prescriber
- Describe the pharmacy application requirements

**Medication Use in Pregnancy and Lactation – What Pharmacists Need to Know** (#0043-0000-15-019-L01-P) (0.1 CEU)
Emily Ambizas, Pharm.D., Associate Clinical Professor, St. John’s University College of Pharmacy and Health Sciences

At the conclusion, participants are able to:
- Discuss how physiologic changes that occur in pregnant women affect drug distribution
- Identify reasons why medications are used during pregnancy
- Review the current Food and Drug Administration classification scale
- Recommend appropriate prescription and nonprescription medications to be used in common conditions during pregnancy and lactation
- List available drug information resources for pharmacists

**ePrescribing and its Potential Impact on Medication Error Occurrence** (#0043-0000-15-020-L05-P) (0.1 CEU)
Joseph V. Etzel, Pharm.D., Associate Clinical Professor, Assistant Dean, St. John’s University College of Pharmacy and Health Sciences

At the conclusion, participants are able to:
- Discuss the relative incidence of medication error occurrence in the US healthcare system
- Explain how perceptual bias may result in dispensing errors associated with written and oral prescriptions
- List several omissions or common inclusions that render prescriptions inappropriate and prone to errors
- Discuss the perceived benefits of implementing universal electronic prescription requirements for ambulatory patients
- Provide examples of common errors encountered with electronic prescribing systems

**Fee for the program - $125**

St. John's University College of Pharmacy and Health Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Completion of the program provides up to six contact hours of continuing education credit. In order to obtain credit, participants must complete required continuing education forms and submit them on site. The universal activity numbers assigned to this program are indicated above. If your credits are not posted to CPE Monitor within six weeks, please call (718) 990-5796. Requests for refunds will only be honored if received in writing or by fax by February 18, 2015.

For directions and a campus map, log on to: www.stjohns.edu/about/general/directions

To check for cancellations in the event of inclement weather, please log on to: www.stjohns.edu or call (888) STJ-2499

For more information or to register, please call (718) 990-2164 or (718) 990-5796
