TIP OF THE WEEK
“What is the local food like where you will be studying? Go beyond the obvious and investigate your host country’s culinary culture before you go. That way your appetite will be all geared up when you land!”
-Rob (Discover the World)

VISAS:
Due April 20-24!

There’s a lot of important information on the Accepted Students site, but there’s another page we want you to pay extra close attention to: the Apply for a Visa page. Depending on your program, all Fall 2015 semester students will have to obtain either a French, Spanish or Italian national visa, each with its own application form and requirements. Most important of all, we want you to be aware that all visa application materials must be submitted between April 20-24 in order to take advantage of the St. John’s group visa process. For full details on your specific visa requirements, please visit the Apply for a Visa page!
