Graduate and/or Doctoral Agreement

Please read the agreement and acknowledge it by clicking the ACCEPT button below.

AGREEMENT, made 24-MAR-2015 by and between ST. JOHN'S UNIVERSITY, NEW YORK (the "University") and Carmen M ("Recipient"), X number X03

1. The University hereby engages Recipient and Recipient hereby accepts the position of Doctoral Research Fellow.

In the Department/Division of SJC Psychology for the period beginning 16-JUL-2015 and ending 31-AUG-2015.

STIPEND AMOUNT \$8000.00 paid in 3 equal semi-monthly installments and tuition coverage for 6 credit(s).

2. During the term of this Agreement and to the exclusion of any other professional or business commitment, Recipient agrees to devote himself/herself diligently and cooperatively for a maximum of 20 hours per week to the duties of a Graduate Assistant or Fellow as indicated above including any activity which will prove beneficial to the Department/Office in the judgment of any one or more of the following persons: The President of the University, the Academic (or other appropriate) Vice President, the Dean, the Director, or other such administrator(s) to whom he/she is assigned. Recipient further agrees to render such services in a scholarly and efficient manner to the satisfaction of all of the aforesaid individuals.
3. All patentable inventions, discoveries, processes, uses, products or combinations, resulting in whole or in part from the use of the laboratories other facilities of the University shall be assigned by Recipient to the University and shall be the sole property of the University. In the event that any of the foregoing provisions of this paragraph are in conflict with a Grant of the Federal Government or any of its agencies applicable to the Recipient, the foregoing provisions shall be of no effect and the provision of said Grant shall be deemed a part of this Agreement.
4. This Agreement may be terminated at any time during the term hereof by the President of the University, or the Dean of the School or College to whom the Recipient is assigned if in the judgment of the said President, Academic Dean, or other appropriate Vice President or Director, Recipient fails to satisfactorily meet the academic standards for his/her course of study or fails to perform any of the foregoing provisions of this Agreement.
5. CGS Resolution Regarding Scholars, Fellows, Trainees and Assistants The parties hereby agree that the following provisions, recommended by the Council of Graduate Schools, are incorporated into this Agreement.

Acceptance of an offer of financial support (such as a graduate scholarship, fellowship, traineeship, or assistantship) for the next academic year by a prospective or enrolled graduate student completes an agreement that both student and graduate school expect to honor. In that context, the conditions affecting such offers and their acceptance must be defined carefully and understood by all parties.

Students are under no obligation to respond to offers of financial support prior to April 15; earlier deadlines of acceptance of such offers violate the intent of this Resolution. In those instances in which a student accepts an offer before April 15 and subsequently desires to withdraw that acceptance, the student may submit in writing a resignation of the appointment at any time through April 15. However, an acceptance given or left in force after April 15 commits the student not to accept another offer without first obtaining a written release from the institution to which a commitment has been made. Similarly, an offer by an institution after April 15 is conditional on presentation by the student of written release from any previously accepted offer. It is further agreed by the institutions and organizations subscribing to the above Resolution that a copy of this Resolution should accompany each scholarship, fellowship, traineeship and assistantship offer.
6. Recipient shall make application to New York State or other governmental agencies and take all other further action to obtain state and/or federal awards and/or scholarships, where eligible, to the end that the amounts received from these awards and/or scholarships accrue to the benefit of the University.
7. Recipient should be aware that the terms of this Agreement do not entail coverage under the New York State Unemployment Insurance Law and the University, therefore, will not substantiate any claims made by any Recipient for unemployment compensation.
8. THIS PARAGRAPH APPLIES TO DOCTORAL FELLOWS ONLY: All allowances for dependents must be claimed at the time this Agreement is signed by the Recipient. No retroactive compensation of any kind may be claimed under the terms of this award.
9. THIS PARAGRAPH APPLIES TO DOCTORAL FELLOWS ONLY: Recipient hereby certifies that any dependent(s) for whom an allowance is included in this contract is (are) neither employed full time nor earning more than \$750 per year on a part-time basis.
10. This Agreement shall be interpreted and construed in the light of, and subject to, the Statutes of the University, as amended.
