THE WILLIAM D. FORD FEDERAL DIRECT LOAN

program is the largest federal student loan program. Under this program, the US Department of Education is your lender rather than a bank or other financial institution. There are two types of Direct Loans that graduate or professional students enrolled in a program leading to a degree or certificate may receive:

- Direct Unsubsidized Loans—Eligible students may borrow up to \$20,500 per school year. Graduate or professional students enrolled in certain health profession programs may receive additional Direct Unsubsidized Loan amounts each academic year.
- Direct PLUS Loans—Eligible graduate or professional students who need to borrow more than the maximum unsubsidized loan amounts to meet their education costs may apply for a PLUS loan. A credit check will be completed during the application process.

APPLYING FOR A FEDERAL DIRECT STUDENT LOAN

STEP 1: ACCEPT your student loan by logging in to your UIS account and following the instructions below:

- Log into UIS and click on "Financial Aid."
- Click on "My Award Information," then "Award by Aid Year."
- Select the aid year, which will be the academic year you will begin classes at St. John's.
- Click on "Accept Award Offer."
- Follow the on-screen instructions to fully accept, partially accept, or decline your loan awards.

Important note:

- St. John's begins processing loans for the following academic year on May 1.
- It is the policy of St. John's University to process loans only after an admission deposit has been paid and the loans have been accepted by the student on their UIS account.

STEP 2: COMPLETE a Federal Student Loan

Entrance Counseling Session in accordance with federal regulations. Go to studentaid.gov and select "Complete Aid Process." Click on "Complete Entrance Counseling" from the drop-down box. Once there, you will need your FSA ID to log in and complete the process.

STEP 3: IF YOU ARE A FIRST-TIME FEDERAL DIRECT STUDENT LOAN BORROWER, sign and complete

a Master Promissory Note (MPN) by going to studentaid.gov and selecting "Complete Aid Process." Click on "Complete Master Promissory Note" from the drop-down box. Once there, you need your FSA ID to log in and complete the MPN. If you do not have an FSA ID or cannot recall it, please go to the student aid website at studentaid.gov/fsa-id/sign-in/landing to either create an FSA ID or update your FSA ID information.

Important note in both Step 2 and Step 3:

- Select "NEW YORK" as the school state and "SAINTJOHN'S UNIVERSITY" as the school name.

Please go to studentaid.gov to complete the process.

You need your FSA ID to log in and complete the process. The Insolvency and Bankruptcy Code (IBC) process will be available in April.

APPLYING FOR A FEDERAL DIRECT PLUS LOAN

STEP 1: REVIEW PERSONAL INFORMATION OF THE BORROWER.

STEP 2: STUDENT AND LOAN INFORMATION

- Select the academic year you will begin classes at St. John's as the Award Year.
- Select "NEW YORK" as the school state and "SAINT JOHN'S UNIVERSITY" as the school name.
- Enter a requested loan amount
 - The borrower enters a specific amount to borrow for the school year or may elect to borrow the maximum amount for which he/she is eligible. The maximum amount the GRAD PLUS borrower may request is included in your St. John's financial aid package letter.
 - If the borrower later determines that he/she does not need the entire amount applied for, he/she may cancel or reduce an undisbursed loan at any time. A disbursed GRAD PLUS loan may be cancelled or reduced within 30 days of the date of disbursement. A St. John's loan change form is available online.
 - The amount the borrower chooses to apply for will not affect the result of the application.
 - When choosing an amount, the borrower should borrow only what is really needed and remember that loans must be repaid.

STEP 3: REVIEW APPLICATION

STEP 4: CREDIT CHECK AND SUBMIT

Authorize the review of credit history and submit the application.

When will the borrower be notified of the result of the application?

- The borrower will be notified immediately of the result.
- If approved, the borrower will be directed to complete a Master Promissory Note (MPN) if a PLUS MPN has not been completed previously.

FEDERAL TEACH GRANT

The TEACH Grant Program provides grants of up to \$4,000 a year to students who are completing or plan to complete course work needed to begin a career in teaching in a high-need field.

As a condition for receiving a TEACH Grant, you must sign a TEACH Grant Agreement to Serve in which you agree to (among other requirements), teach

- in a high-need field;
- at an elementary school, secondary school, or educational service agency that serves students from low-income families; and
- for at least four complete academic years within eight years after completing (or ceasing enrollment in) the course of study for which you received the grant.

Note:

If you do not meet the requirements of your service obligation, all TEACH Grants you received will be converted to Direct Unsubsidized Loans. You must repay these loans in full, with interest charged from the date of each TEACH Grant disbursement.

Learn more at studentaid.gov/teach-grant-program.

PRIVATE LOANS

A private education loan or alternative loan is a nonfederal loan issued by a lender such as a bank or a credit union for the purposes of financing postsecondary expenses. Private loans, like all loans, must be repaid. St. John's does not recommend any specific private lenders and encourages all students and their families to carefully consider all available financing options first before considering a private loan.

St. John's University only deducts private loans from the student's bill when they are "approved" (meaning that the credit is acceptable or "ready for school certification"), the promissory note has been signed, and any documentation required by the lender and University has been submitted. The lender notifies St. John's when the loan is approved. To learn more about the private loan process, please visit www.stjohns.edu/PrivateLoans.

St. John's, in accordance with federal regulations, reports all loan borrowing, student enrollment status, and changes in enrollment status to the National Student Loan Data System. St. John's utilizes the National Student Clearinghouse for enrollment reporting and confirmations.

GRADUATE ASSISTANTSHIPS AND FELLOWSHIPS

A limited number of Graduate Assistantships and University Fellowships are granted to various academic departments within each School and College of the University. Graduate Assistantships are also available in administrative departments. All students interested in applying for an assistantship must complete the online Graduate Assistantship or Doctoral Fellowship application.
