Science Educator (8th-12th Grade)

Our Saviour Lutheran School (OSL) is an independent Christian school serving a multi-ethnic student population in grades 8- 12 in the Bronx, NY. *Our Saviour Lutheran School is an educational community that inspires academic success, cultivates holistic growth, and instills faithful Christian character in a caring, thoughtful, and engaging learning environment.* OSL's core values of identity, integrity, intentionality, virtue, and vocation bring a deep focus for all members of the OSL community to serve faithfully and in a culturally relevant way to prepare students for life in an ever-changing world.

At OSL, we believe that students of various backgrounds can learn and grow within the contexts of a Christian community. We work cooperatively with students, parents, teachers and leadership to care for students and provide resources and to build habits so that students capitalize on their God-given talents and skills to engage the world. We believe that each student is valued and beloved, as a creation of God, with individual potentialities, and that our job is to actualize that talent. We expect each student to show & receive respect, recognizing their value and the value of others, leading to the development of exemplary character founded upon the Christian faith and ethos. The ideal candidate for our faculty is an educator who works collaboratively with other educators and who is comfortable with healthy critique and growth as we commit to developing students academically and socially.
