Original Receipts – All individual expenses of \$25 or more must be evidenced by ORIGINAL RECEIPTS and be attached to Section C of this form.

Submittal Deadline – Employees are responsible for submitting their completed and approved Travel Request and Expense Reimbursement Form within thirty (30) days of the completion of the trip or business expense. Forms are to be submitted to the Accounts Payable Department, located in Newman Hall, Room 204 on the Queens campus.

Airline Tickets – Employees are expected to utilize the lowest applicable fares. Every effort should be made to book flights in advance to take advantage of advance purchase discounts and lower fares. Employees should be flexible in their plans in order to obtain lower fares. Alternative airports or flight departures should be utilized as long as University business objectives are not compromised. When making reservations, the air carrier or agent should be advised of any special discounts (e.g., convention, seminar, association or professional rates) that may apply.

Automobile Rentals – Automobile rentals should be limited to situations where other means of transportation are not practical, economical or available and in emergencies. Employees should decline the Loss Damage Waiver (LDW) and Global Liability insurance as these insurances are carried by the University.

Personal Automobiles – Reimbursement for the use of employee-owned automobiles by employees traveling on University business is currently 58 cents (\$0.545) per mile driven plus tolls and parking charges. (Rates will be periodically adjusted to conform with IRS Guidelines) This rate is intended to reimburse employees for all costs including, insurance, gas, oil, wear and tear, repairs as well as damage caused through accidents. Mileage between campuses will be reimbursed according to the mileage listed in the chart below.
