Please check one of the following as your reason for taking a graduate course(s):			
As part of the St. John's College Combined Degree or Pathway program in which I am enrolled.			
For undergraduate credit only. I understand these courses would not be applicable to a SJU graduate program.			
 IMPORTANT: The undergraduate Pass/Fail Option is not an option for graduate courses. A maximum of two graduate courses may be taken by undergraduates per semester. A maximum of 18 credits (graduate and undergraduate combined) may be taken by undergraduates per semester. 			
If approved to take the graduate course(s) listed below, the Dean's Office will register you. However, you must indicate which course(s), if any, should be dropped from your schedule as a result. If none, write "None". Keep in mind, the graduate course(s) must fit into your upcoming schedule seamlessly. A time conflict of any kind will prevent registration.
