

# Health and Wellness Screening

## Students, Faculty, Administrators, Staff

### Welcome to Campus!

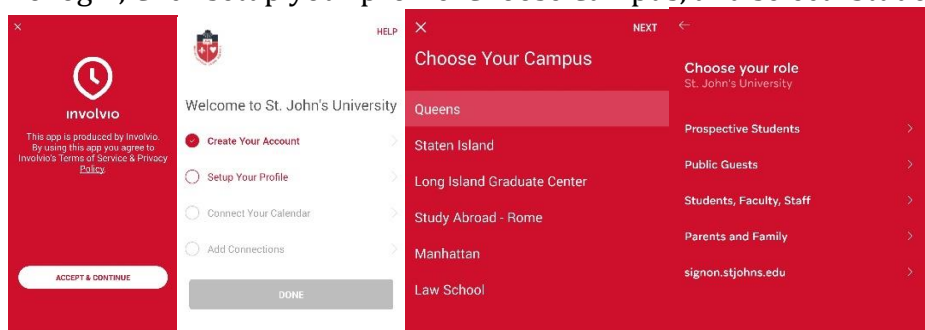

We are excited to begin the process of re-opening. As we begin this process, the health and safety of our employees, students and guests is a top priority. To help reduce the spread of COVID-19 and maintain a safe working environment, we are asking that ALL Students, Faculty, Administrators and Staff complete a daily COVID-19 Health and Wellness screening in order to access campus.

There are 2 methods to perform this check.

1. Download the St. John's University Connect app by Involvio in the Android or iPhone app store.

To login, Click setup your profile. Choose Campus, and select "Students, Faculty, Staff".

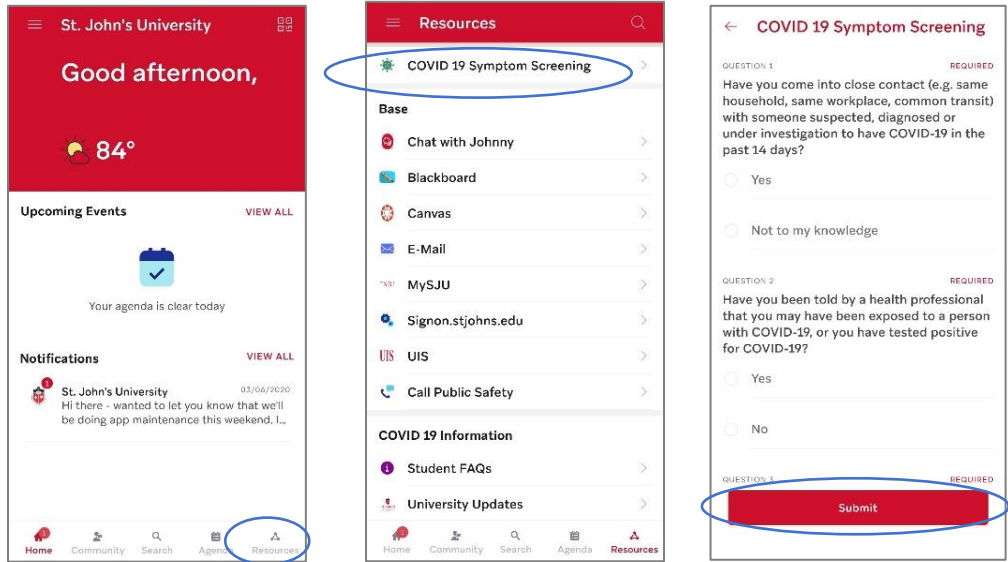

You will be redirected to enter your St. John's Email username and password, click Sign In. To login, first setup your profile, choose "Students, Faculty Staff". You will be prompted to enter your email address and password.

If you have not logged in here before, please visit: [www.stjohns.edu/IT](http://www.stjohns.edu/IT) for Single Sign-On instructions

Once logged in, click on “Resources in the lower right corner”. COVID 19 Symptom Screening is at the top.

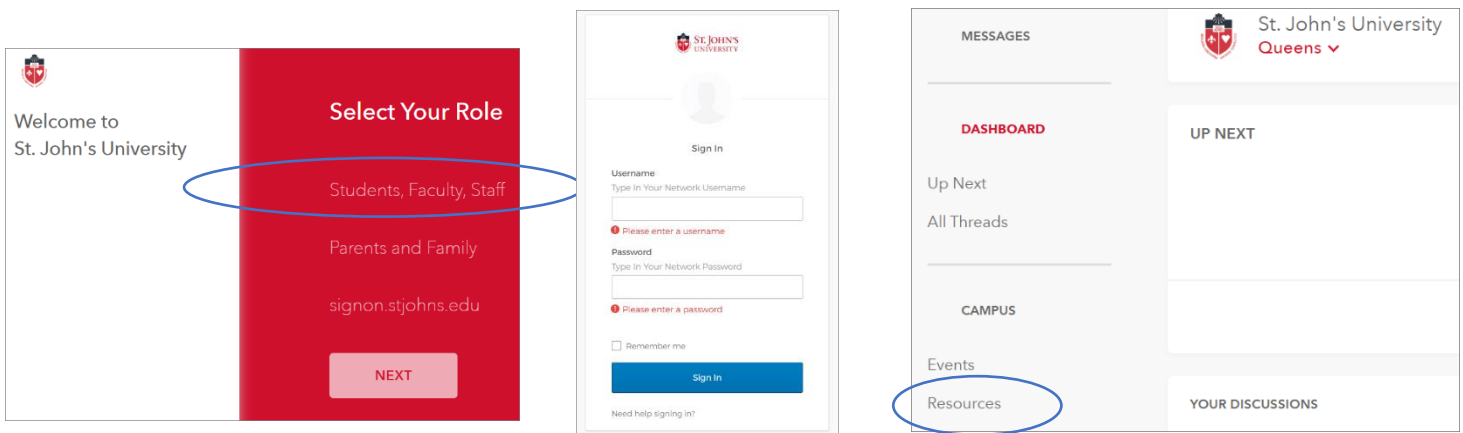

Once completed, an email with a PDF attachment will be sent to you. **Only those who receive a “Green” day pass will be granted access to campus.** Please present this pass to the Department of Public Safety Officer at the gate (on your mobile phone or printed in color). Note that this pass is valid only for the day in which the screening was completed.

If you are having any technical issues, please call the IT Service Desk at 718-990-5000.

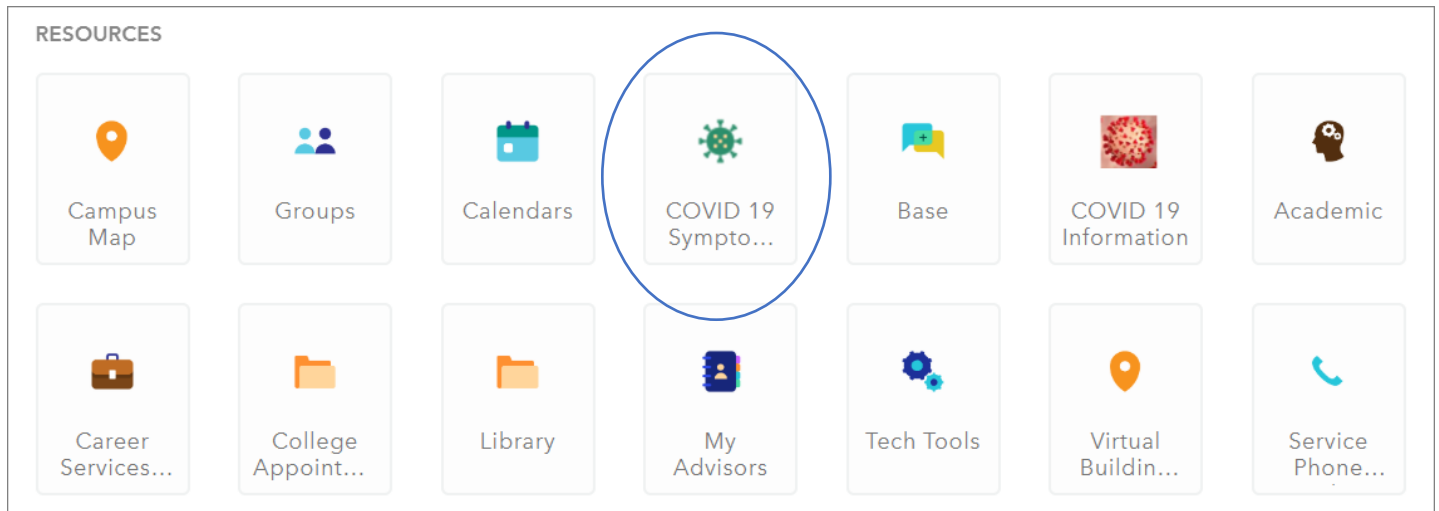

- 2. Visit <http://connect.stjohns.edu>, if you do not have access to a smart device.

To login, first setup your profile, choose “Students, Faculty Staff”. You will be prompted to enter your email address and password.

If you have not logged in here before, please visit: [www.stjohns.edu/IT](http://www.stjohns.edu/IT) for Single Sign-On instructions
