FAST-TRACK PROGRAMS in The Peter J. Tobin College of Business at St. John’s University allow students to apply for graduate study in their third year of undergraduate study. Students accepted to the program can take up to 12 graduate-level credits during their senior year, which can mean earning a bachelor’s degree and master’s degree in just five years, saving both time and money.

Limited scholarships and graduate assistantships are also available for Fast-Track programs in year five.
