Curriculum Overview

- The Bachelor of Science (B.S.) degree in Business program is designed to provide a high-quality business education to students at St. John's University. The program is **interdisciplinary** that allows the student to **select seven advanced courses from the major disciplines in The Peter J. Tobin College of Business**. Thus, the student is able to create an independent, yet focused major within the B.S. in Business. The advanced courses may only be taken following the completion of the business core.
- Careers in business are the fastest growing and most in-demand of all careers because business is one of the most flexible disciplines available and business skills have a place in nearly every industry. The business major will increase your opportunity for employment and offer room for advancement within business careers.
- The program offers the flexibility for students to participate in one or more of our noteworthy experiential courses and internships that broaden their hands-on business experience.
 - ✓ 60 credits in Liberal Arts Core

- ✓ 30 credits in Business Core
- ✓ 21 credits (MAJOR) in Career-Focused Tracks
- ✓ 9 credits in general electives

Total Curriculum 120 credits

- The program allows students from the following career focused tracks
 - ✓ ***Business Data Science***
 - ✓ ***Accounting Systems***
 - ✓ ***Entrepreneurship***
 - ✓ ***Risk and Advisory***
 - ✓ ***Service Marketing***
 - ✓ ***Sustainability in Business***
 - ✓ ***Law and Business***
 - ✓ ***Risk and Advisory***
- The Program includes pathways to further specializations, which are cost-efficient programs that provide students the opportunity to advance to a master's degree or a juris doctorate progressing from the B.S. in Business. Students selecting Pathways to advanced degrees require separate application and must meet admission standards for that Pathway program. Students should seek early program guidance in anticipation of applying to a Pathway Program including application to scholarship and tuition assistance opportunities to fund tuition for advanced programs. Available Pathways are:*
