ST. JOHN'S
UNIVERSITY

CAREER SERVICES

University Career Services serves as a bridge between students' college experience and life after St. John's. Starting the first year and continuing beyond graduation, we are here to help students explore who they are and their career options, connect their experience — whether it is academic, campus involvement and activities, service, internships or work experience — to careers or graduate school — and achieve their post-graduation goals.

To us, it's a journey — **A Johnny's Journey to Success**. And each of our students creates their own unique one.

Personalized Advisement

A Career Advisor will assist you in developing your career path; including choosing your major, resume writing/cover letters, internship/job search strategies, networking, interviewing and evaluating job offers/salary negotiations. Through in-person and virtual appointments, University Career Services offers you one-on-one support from freshman year through graduation.

Career Peers

Serving as an additional resource to support students in the creation and development of resumes and navigation of resources, Career Peers partner with Career Services to reach students through in person and virtual advising; group presentations, and events. Students can connect with Career Peers on Live Chat 7 days per week, and on Instagram Live on Thursday evenings.

Handshake – Internships and Employment

Your gateway to University Career Services is Handshake, an innovative, intuitive, and mobile platform. Handshake allows current students and alumni access to job, internship and campus recruiting listings; registration for Career Services programs; workshops, information sessions, career fairs and other event information; and additional career development and employment resources. Access Handshake 24/7 on the St. John's University Connect app - Click on Resources, find Career Services and click on the Handshake.

Mentoring

University Career Services believes in the power of a mentor and offers two mentoring programs to our students – E.P.I.C. (Establish Relationships. Promote Possibilities. Impact Direction. Confirm Next Steps.), our first-year peer to peer student program and the Aspire Mentor Program, an alumni mentoring program for juniors who are beginning their professional journey. Our networking and mentoring programs help students and alumni build mutually rewarding relationships, share knowledge and experience, and expand networks.

On Campus Recruiting (OCR)

Each year employers representing various fields connect with St. John's University to meet qualified candidates to fulfill their full-time and internship hiring needs. University Career Services facilitates one-on-one meetings between candidates and employers through on-campus interviews, both in-person and virtually. Interested students may meet with a career advisor to discuss the requirements for participation.

Career and Internship Fairs / Networking / Panel Events

Employers from various fields participate several times each year in both large-scale and industry specific events, in-person and virtually, offering advice about careers in their organizations and seeking to meet qualified candidates to fill internships, part-time and full-time positions.

Leadership and Professional Development

Our Leadership and Professional Development (LDP) programs focus on developing and practicing competencies that you need to further develop yourself so you are successful upon graduation in any profession or career path. Career Services helps you acquire leadership skills – for example – communication, problem solving and decision making – that are essential to the education experience and can lead to greater personal enrichment, academic success and career readiness in the global workforce.

Leadership Development Program

- Students will gain an understanding of the fundamentals of leadership, put what they have learned into action, and receive written recognition from Career Services upon program completion. *Target Audience: Undergraduates*

National Society of Leadership & Success

- An organization that helps people discover and achieve their goals through life-changing lectures from the nation's leading presenters and a community where like-minded success oriented students come together and help one another succeed. *Target Audience: Sophomores*

Omicron Delta Kappa Society (ODK)

- The national leadership honor society for college students, faculty, staff, administrators, and alumni that recognizes and encourages superior scholarship, leadership, and exemplary character. *Target Audience: Juniors and Seniors*
