The cost of attendance, also known as the budget, includes tuition, fees, books, supplies, and estimated personal living expenses. It serves as the maximum amount of aid that you can receive in scholarships, federal loans, and private loans. Please note: Federal regulations only permit increases to the budget for educational-related expenses incurred during the current academic year. Adjustments may take approximately 10 business days.

The Office of Student Financial Services encourages students to evaluate loan options carefully, borrow only what is needed, and remember that loans must be repaid.
