Rental Books

You can rent your books and return them at the end of the semester for a lot less than buying them. You can still highlight, underline, and take margin notes. Just return the book at the end of the semester and you're all set.

Digital Books

If you are used to having all your books stored on one device, many of the titles you need are available digitally. We'll give you an access code and you get a digital copy of the book. Why carry all that dead weight if you don't have to, right?

Gear

The St. John's University Campus Store is your official shop for Red Storm merch. We carry exclusive styles - including Nike® apparel. Whether you are a basketball fan or a baseball buff, we have everything you need to cheer on the team you love.

Tech

St. John's University Campus Store has all the biggest names in laptops, tablets, and tech accessories. Anything from a new computer for an upcoming project or just something to 'Red Storm' your phone. Check out our Student pricing on select computer models!
