

Benvenuti
Bienvenue
Fáilte
Welcome

A life-changing
experience starts
with a simple
question.

When will
you
study abroad?

Why Study Abroad?

- Access key academics
- Build a better world
- Come away with a competitive advantage

The St. John's Difference: our campuses

We help students explore—safely.

- Fully staffed local campuses in Paris and Rome
- Expert faculty and bilingual staff
- Experiential learning engages students with their surroundings
- More than 40% of St. John's undergrads go abroad!

We make it affordable.

- Students' financial aid "travels" with them
- Over \$600k in additional aid for semesters abroad
- Additional resources for internal and external funding
- About 25% of abroad students are Pell-eligible

Classes aren't an issue.

- The core—with a twist
- With content courses and major-specific options
- Easy to add a minor in French, Italian, International Studies, and more

We live the Vincentian mission... wherever we go!

- Nearly 5,000 service/AS-L hours abroad annually through our semester programs, service initiatives and plunges

*Prof. Zirnheld's class explores
Kandinsky and modern art at the Centre
Pompidou in Paris*

Global Passport

The SJU Difference: The World, for \$600

The Global Passport Program

“Welcome to St. John’s! Now go away.”

- Entering students can study abroad **from day one**
- First-year programs travel to Rome and Paris
- Subsidized to make it affordable

We designed it for new students.

- Course in NYC, with a linked study abroad component at the end of the term
- Core class (DNY, English, First-Year Writing, French I, History, Italian I or II, Philosophy, Theology)
- Engagement with top faculty and other first-year students

It’s an SJU study abroad program.

- Affordable
- Vincentian
- Safe

Global Passport Highlights

- Spend 7 days in Rome or Paris as part of a required, first-year class, that counts toward your Core.
- Travel at the end of the semester as part of a full semester course
- Make great friends on a program that's unique to St. John's – and come back with your **squad**!
- Visit culturally significant and class-related local sites, including locations such as the Vatican, Coliseum, the Trevi Fountain in Rome, or the Eiffel Tower, and the Louvre in Paris
- Earn an extra credit toward your degree!

Check your email, paper mail and our website for application details — space is limited!

Applications close September 15

SJU's Campuses Abroad—Highlights

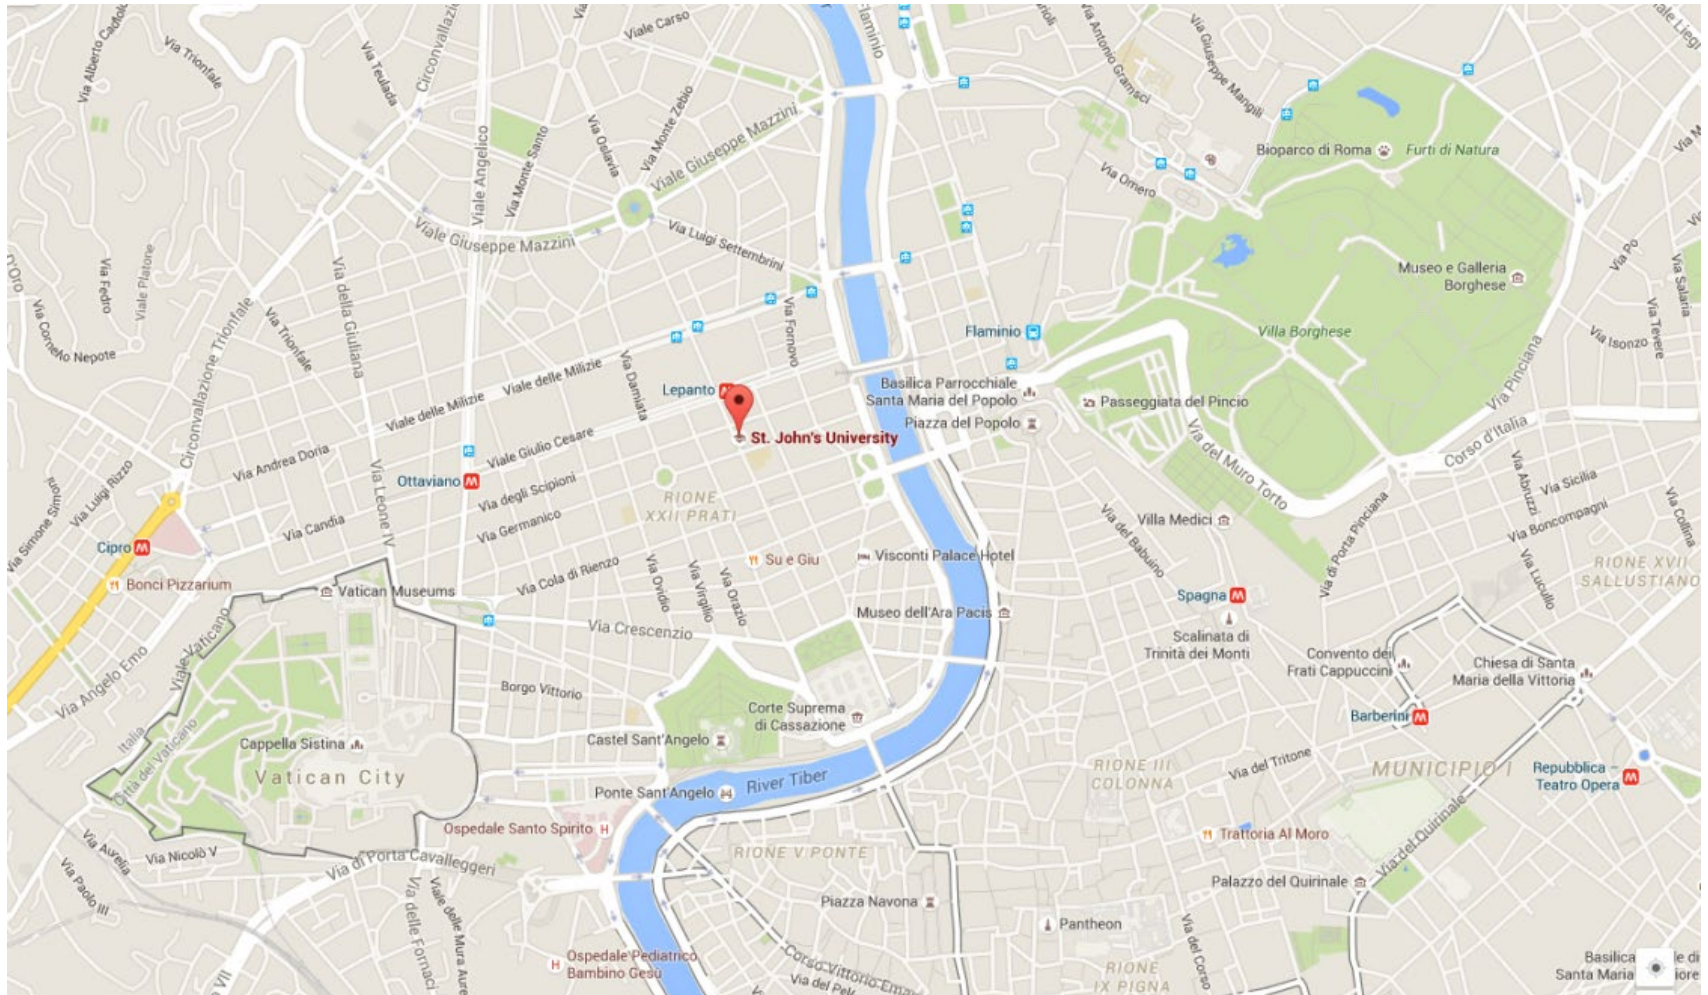

- 24-hour on-site security
- Bilingual staff, including resident assistants
- Centrally located, upscale neighborhoods
- Modern facilities, historic setting
- WiFi
- Air-conditioning
- Lounges (& Kitchens in Rome!)

How do I apply? It's easy...

- **Go** to stjohns.edu/passport
- **Choose** either ***Global Passport in Paris*** or ***Global Passport in Rome*** to review your options
- **Hit** APPLY NOW and choose the term *Spring Embedded 2022*
- **Select** either CORE, French I, Italian I or Italian II.
NB: Only apply for a language class if the introductory level is appropriate for you.
- Pay a \$250 program deposit to confirm your interest. **The \$250 deposit is part of the \$600 program fee.**
- Wait for the University Freshman Center to enroll you for the appropriate class.
- Check your St. John's email account for program confirmation from the Office of International Education

Courses do fill, and students are placed in the order of their application.

How Do I Enroll in Classes?

The University Freshmen Center works with OIE to place all students in their courses by...

- Ensuring that students are eligible for program courses and programs in the correct Global Passport class.
- Providing information on how to *stay* registered for the program!

Keep in mind: apart from French and Italian, students may not choose their own Global Passport course.

Spring Course Options (May 16 – 23, or 23 – 30)

The UFC chooses from the following courses...

Paris Campus

- FRE 1010C: French Level I
- Or an appropriate CORE course

Rome Campus

- ITA 1010C: Italian Level I
- ITA 1020C: Italian Level II
- Or an appropriate CORE course

Professor Conn Fall Semester 2019

DNY 1000C: Discover New York

Learning, Independence, and Support

- Professor Conn's Global Passport students toured historic central Rome on a walking tour ***they designed and researched.***
- Our group administrator helped our student guides as they planned the tour.
- The experience helped students learn to navigate Roman streets from the very beginning of our trip.

Academic Connections Between New York City and Rome

- Students in my sections of Discover New York study historical immigration and migration patterns in New York City during the semester.
- When we're in Rome, we learn how immigration and migration shaped ancient Rome; medieval and Renaissance Rome; and contemporary Rome.

Academic Service Learning (ASL)

- My students served at food pantries, immigration assistance centers, education outreach centers, and other locations in New York City.
- In Rome, we served at the Joel Nafuma Refugee Center, where we interacted with refugees from Angola, Libya, Afghanistan, and other places.
- Then we compared contemporary migration patterns and experiences of the two cities.
- ***Many of my students told me that our service at the Refugee Center was the most important part of our trip.***

Our commitment
to you continues
well beyond your
first year.

Study Abroad Finances

- The majority of your St. John's financial aid will “travel” with you.
- St. John's awards additional grants to students with high financial need to afford the cost of a semester abroad.
- Additional St. John's scholarships:
 - Italian Cultural Center
 - The Licari Scholarship
- External scholarships
 - **The Gilman Scholarship**
