1. PROGRAM OVERVIEW

1.1 PURPOSE

The St. John's University Purchasing Card Program ("P-Card") is designed to provide a more efficient means of making routine low dollar high-volume purchases and payments by reducing paperwork, allowing for more control and responsibility at the department level, and streamlining the purchasing cycle. This manual outlines the benefits of the program, describes the responsibilities of cardholders and fiscal managers, and enumerates the program's policies.

Cardholders use the P-Card to purchase allowable goods and services and to centralize the billing and settlement. All transactions are automatically loaded into the accounting system, thus reducing the need for purchase requisitions, check requests, and petty cash. To ensure proper accounting, the cardholder and designated department administrator must routinely review and approve transactions and make needed adjustments to accounting information and descriptions using a web-based application.

1.2 PROGRAM BENEFITS

- a. Minimize out-of-pocket T&E expenses.
- b. Streamline the processes for small dollar orders and payment.
- c. Enable employees to be more efficient and focus on their core missions.
- d. Reduce paperwork and processing time in the employee's department as well as Purchasing and Accounts Payable.
- e. Provide cost savings through consolidated payments (one (1) monthly payment to Bank of America versus multiple vendor payments).

1.3 CREDIT CARD COMPANY

The University utilizes a Visa card and has selected Bank of America (BOFA) to provide the P-Card.

2. PURCHASING CARD CONTROLS

2.1 PURPOSE

Effective controls provide departments with reasonable assurance that institutional objectives have been achieved through sound financial management. The Purchasing Card Administrator is available to assist departments with training, technical assistance and financial/operational reviews regarding the purchasing card program.

2.2 REASON FOR THE POLICY

Responsibility for financial control and stewardship of the purchasing card program rests with each department. The department is responsible for ensuring that each cardholder is performing their duties with competence and honesty, and for monitoring the effectiveness of the accountability structure. Through effective controls, the department must:

- a. Safeguard University assets.
- b. Prevent, detect, and correct errors and irregularities.
- c. Ensure reliability of financial information.
- d. Ensure compliance with purchasing card policies and procedures.
- e. Maintain appropriate records in a safe and secure location.

2.3 DEPARTMENT INTERNAL CONTROLS

Each department must establish internal controls sufficient to regulate the department's purchasing card activities. The responsibility for appropriate use of the card lies not only with the cardholder, but also with the approving department. The purpose of the controls is to prevent errors or fraudulent use of the card. The Department's internal controls should include:

- a. Designation and approval of appropriate departmental cardholders.
- b. Reviewing all charges billed to a cardholder's card to ensure that the charges are verified, appropriate and reconciled by the "Authorized Approver". The "Authorized Approver" must be senior to (at least one level higher) than the Cardholder and a Budget Administrator for the Org being charged. When the Cardholder is the most senior person in the department than the "Authorized Approver" must be the Budget Administrator. The Budget Administrator is responsible to ensure that all transactions are valid and for official University business.

2.4 RESPONSIBILITIES OF DEANS, VICE PRESIDENTS, AND BUDGET ADMINISTRATORS

- a. Designate cardholders.
- b. Approve applications.
- c. Ensure that employees who will be issued a purchasing card or have been delegated responsibilities under the purchasing card program meet all program requirements and have duties commensurate with the established spending limits.
- d. Ensure that all employees abide by the purchasing card program policies and

procedures.

2.5 RESPONSIBILITIES OF CARDHOLDERS

- a. Participate in University purchasing card training and sign the Cardholder Agreement to acknowledge the responsibilities of the use of the purchasing card.
- b. Abide by all purchasing card policies and procedures when making purchases. Abuse or misuse of this privilege can subject the cardholder to disciplinary action, up to and including dismissal from the University.
- c. Ensure the physical security of the purchasing card and protect the purchasing card number.
- d. Notify Bank of America prior to excessive use or any travel to avoid interruption of service.
- e. Immediately report lost or stolen cards to BOFA, cardholder's approving Dean, Vice President or Budget Administrator, and the Purchasing Card Administrator.
- f. Attach electronic receipts (no paper receipts) for each purchase \$25 and more. Forward documentation to the approving Dean, Vice President or Budget Administrator.
- g. Review, verify and assign GL codes for all transactions that have posted to Concur.
- h. Identify incorrect or overbilling (such as sales tax or duplicates), contact merchant directly to resolve issue, and if the issue cannot be resolved contact the Purchasing Card Administrator.
- i. Abstain from splitting charges to circumvent delegated authority levels. (See Section 3.6)
- j. Upon termination of employment, surrender card immediately to your Dean, Vice President or Budget Administrator
- k. Upon resignation of employment or transfer to another position in the University that no longer assumes duties requiring a P-Card, discontinue use of the purchasing card and return the purchasing card to the Dean, Vice President, or Budget Administrator with a Purchasing Card Change/Cancellation Form. Complete Section 5 of the form. Additionally, review, submit, and reconcile all outstanding purchasing card transactions prior to your departure or transfer.

2.6 RESPONSIBILITIES OF APPROVING DEANS, VICE PRESIDENTS AND BUDGET ADMINISTRATORS

Monitor purchasing card activity of cardholders. Ensure compliance with purchasing card policies and procedures. Immediately report any abuse or misuse of purchasing cards to the Purchasing Card Administrator. Failure by approving Deans, Vice Presidents, and Budget Administrators to diligently discharge these responsibilities may be subject to disciplinary action up to and including termination.

- a. Review, reconcile (if necessary), and approve Expense Reports on all cardholder transactions in Concur regularly. Adjust GL accounts charged, if applicable. Approving Deans, Vice Presidents, Budget Administrators or other designated individuals, must reconcile the individual receipts to Concur.
- b. Track incorrect and overbilling to ensure proper credit is received. Any discrepancies in billing must be addressed with the merchant directly to resolve the issue.
- c. In case of employee termination, resignation, or where the employee will no longer assume duties requiring a P-Card (i.e., internal departmental transfer or transfer of duties), ensure the cancellation of the purchasing card, submit a Change/Cancellation Form to the Purchasing Card Administrator, along with the cancelled P-Card. (See Section 2.11)

2.7 ISSUANCE OF PURCHASING CARD

- f. Cardholder must sign the back of the purchasing card in the presence of Business Affairs personnel. (Picture ID will be required)

Cards are automatically reissued to cardholders who have used their cards within 12 months prior to expiration. BOFA sends the cards directly to the Business Affairs Office. Notification is then sent when cards have been received and are ready to be picked up by cardholders.

2.8 PURCHASING CARD LIMITS

Dollar limits will be set on a case-by-case basis based on need and budget availability. Limits may be increased if a business need exists. Any requests for an increase in dollar limits must be submitted in writing by using the Purchasing Card Change/Cancellation Form by the Dean, Vice President, or Budget Administrator that is senior (at least one level up) to the Cardholder. .

2.9 PURCHASING CARD SECURITY

Cardholders are responsible for the proper use and safeguarding of cards issued to them. The card number, the card itself, and all documents related to the card transactions must be treated with security at all times. The only person authorized to use the purchasing card is the cardholder whose name appears on the face of the card. Under no circumstances may a cardholder allow another individual to use his or her purchasing card outside of the Cardholder's campus department office.

2.10 LOST, STOLEN OR MISPLACED CARDS

In order to protect the University's interest, lost or stolen purchasing cards must be reported to BOFA at 1-888-449-2273 (when prompted the 16-digit card number must be entered) 24 hours/day, 7 days/week, the cardholder's Dean, Vice President or Budget Administrator, and the Purchasing Card Administrator.

2.11 CARDHOLDER TERMINATIONS AND TRANSFERS

Cards must be cancelled immediately for employees who are terminated, resign from the University, transfer to another department or assume different duties that do not require the use of the purchasing card. The supervisor must collect the card at the time that the employee leaves and immediately notify the Purchasing Card Administrator.

A Purchasing Card Change/Cancellation Form must be sent to the Purchasing Card Administrator along with the destroyed card.

3. PURCHASING CARD POLICIES AND PROCEDURES

3.1 RESPONSIBLE AUTHORITY

The authority to set and enforce purchasing card policies and procedures lies with the Office of Business Affairs. When a business justification exists, exceptions to the purchasing card policies and procedures may be granted upon request from a department in writing and with written approval from the Purchasing Card Administrator.

3.2 ALLOWABLE PURCHASES

3.3 PAYMENT SOLUTIONS

The purchasing card is designed to be a tool for making both purchases and payments. At times, there may be a benefit to the University to expand the use of the card to make purchases or payments, which may require an exception to the purchasing card policies and procedures. Such exceptions must be pre-approved in writing by the Purchasing Card Administrator.

 - Itemized description of item(s) purchased.
- b. Copies or facsimiles of the original receipt.

3.6 SPLITTING PURCHASES

3.7 SALES TAX EXEMPTION

The University is tax exempt and should not pay sales tax. The cardholder is responsible for insuring that sales tax is not charged at the time of purchase. Some suppliers may request a copy of the tax-exempt form. Tax exemption forms for New York and a number of other states can be found on the Concur Home Page. The New York State sales tax exempt number is provided on the purchasing card.

4. PENALTIES

4.1 RESPONSIBILITY

Cardholders are responsible for and accountable to the University for all purchases made with the purchasing card and must adhere to all University and department policies regarding its use. All purchasing card purchases must be for official University business only. **Use of the Purchasing Card for personal expenses is strictly prohibited.** Cardholders may not make non-University travel arrangements with the Purchasing Card. Any employee who fails to use the purchasing card properly or abuses the use of the purchasing card shall be subject to the cardholder penalties listed in section 4.2 and may be subject to disciplinary action, up to and including dismissal. The University will seek restitution for any inappropriate purchases made with the card. All cases of misuse or abuse of the purchasing card must be documented by the department and the Purchasing Card Administrator shall be informed in writing.

All Bank of America Purchasing Card Concur Users (Cardholders/Authorized Approvers/Budget Administrators/ Delegates/Cost Object Approvers/Administrative Assistants) are responsible for and accountable for their portion of the transactional review, confirmation, and reconciliation process. Responsibilities include but are not limited to reviewing transactions, confirming transactions, assigning general ledger codes, and attaching receipts to all line items over \$25 and submit the Expense Reports.

4.2 CARDHOLDER PENALTIES:

When policy violations by a particular cardholder are identified during the approving Dean, Vice President or Budget Administrators review of the monthly transactions, the following process shall be followed:

- b. In the second instance of abuse, notify the Purchasing Card Administrator and suspend the card for at least one (1) billing cycle.
- c. If problems continue after the card is reinstated, the card shall be cancelled.
- d. A Dean, Vice President or Budget Administrator can skip all of the steps if the incident is severe enough and suspend or cancel the card permanently.
- e. The Purchasing Card Administrator can impose the same penalties stated above if problems are found during department reviews. If warnings are

issued by the Purchasing Card Administrator, the Cardholder and the approving Dean, Vice President or Budget Administrator will be notified.

- f. If an Approving Official is not the Cardholder's supervisor, he/she has a responsibility to notify the Cardholder's supervisor of any policy violations.

4.3 DEPARTMENT PENALTIES

The Purchasing Card Administrator may impose penalties for any of the following occurrences:

- a. If transactions are not reviewed, verified, transferred into a Concur Expense Report, assigned GL codes, business purpose/comments entered, receipts attached to the transactions and submitted in Concur by the Cardholder and Authorized Approver by the month end deadlines established by the Purchasing Card Administrator. Note: The billing cycle ends on the last business day of each month and Expense Reports are submitted to the Purchasing Card Administrator to be uploaded into the Banner system.
- b. If transactions are not reviewed, verified, transferred into a Concur Expense Report, assigned GL codes, business purpose/comments entered, receipts attached to the transactions as the transactions post to Concur (within 5 business days). Note: This process ensures that pending transactions from the prior month are addressed; fraudulent charges are immediately identified, ensures the Cardholder attends to incorrect/duplicate billing in a timely manner; allows all Users to be current in case of end of month technical difficulties and employee absenteeism.
- c. Repeated Cardholder abuse and/or department abuse.
- d. Improper and Incomplete Documentation.

When penalties are imposed, the following process will occur:
