Personnel Action: General Directives

PLEASE DELETE THIS PAGE PRIOR TO SUBMISSION OF YOUR PAF TO THE PORTAL

NOTE: The guidelines in BLUE are advisory only and provided to assist you with some of the more frequent questions encountered

The dates mentioned in the PAF and MAY MEMO are the suggested last dates that these events can occur for timely submission to the PAF portal. ↓

A draft of the entire application **must be reviewed with your Chairperson ON OR BEFORE Friday October 27, 2023** in order that revisions may be made **prior to submission to the Portal** and before the departmental/divisional review. This will guarantee that the PAF is appropriately prepared for the Departmental or Divisional review and prevent untoward delays, re-meeting, etc., before being submitted to the next level of review.

1. It is the **SOLE RESPONSIBILITY** of the applicant requesting this personnel action to follow the format specified in these instructions and be able to verify the integrity of all data presented.
2. **ALL EVIDENCE** and information relating to this action must be included at the time the PAF is transmitted to the Departmental or Divisional Personnel and Budget Committee through the Faculty Personnel Portal. No documents or information may be added at a **later stage** of the personnel action process that was not considered by the original reviewing committee. Therefore, if materials are found to be missing at any point in the review process, applications may be returned to the lower level committees for reconsideration. In order to avoid such errors, a draft of the application must be reviewed and discussed with the Chairperson prior to submission to the Portal. **Chairpersons will be asked to certify that they have read the document and offered guidance to the applicant.**

Follow up evidence IS permitted. If, after your PAF has been submitted to the PORTAL, you learn that a paper, grant, etc., that is listed as pending on the PAF has now been accepted, please inform your Chairperson and/or Dean of this development. If possible, provide your Chairperson with the email or letter confirming the acceptance, that will then be presented at the committees.

3. All information requested for this form is to be completed according to the directions. Follow the prompts indicated in the keys next to the section. **Use reverse chronological order where applicable.**
4. All applicants must complete the Cover Page and the Table of Contents. These pages must constitute the first two pages of your application. **Remove this page prior to submission to the Portal.**

2023 PAF with FAQ's (not comprehensive)

5. After the Chairperson and applicant together determine the form is complete and that the support material is compiled properly, should the form be converted to PDF format.

It is vital that the PAF be reviewed and discussed by the Chairperson and faculty member prior to submission to the Portal. Substantive changes should be completed to the satisfaction of the applicant and the chairperson/director prior to or immediately after the October 27, 2023 review. CHAIRPERSONS WILL BE REQUIRED TO CERTIFY THAT THEY HAVE MET, REVIEWED AND DISCUSSED THE PAF WITH THE FACULTY MEMBER

6. Once in PDF format, the PAF may be loaded onto the Faculty Personnel Portal for FINAL SUBMISSION to the Chairperson. The Chairperson will be responsible to move the form through the portal to the first committee for review.

The absolute LAST day for submission is November 3, 2023

Faculty members with a completed PAF do not have to wait until the due date to make their final submission. The PAF can be submitted any time beginning in mid-October as long as all the necessary procedures have been followed.

7. NO PAPER COPIES will be needed and all support material should be in electronic format and submitted to the Portal.

8. The respective Chairpersons of all personnel committees are not to send out any other instructions.

Please have your chairperson email Linda @ shannonl@stjohns.edu IF there is any confusion.

- If the accomplishment is large enough you may decide to keep it as is - an unusual case (Nobel Peace Prize).
- Include your role as a director or coordinator and cross reference it with Section N (only describe it in one section - not both)
- Tip: This is a good place to highlight evidence of teaching effectiveness.

ST. JOHN'S UNIVERSITY

II. RESEARCH INSTRUCTIONS

Sections F or G, H, I, J and K of the PAF

1st and 2nd years must fill out F or G because EVERYONE should have a plan, but they are not expected or required to fill out H, I, J or K (unless they have something to put in!)

If you are a member of the faculty of SJC (inc. ICS), EDU, TCB or PHM, please complete F and NOT G.
If you are a member of the faculty of CPS or LIB, please complete G and NOT F.

Your ideas and how you will begin to implement = seeds

F. Research Prospectus (to be completed by ALL faculty members in St. John's College of Liberal Arts and Sciences (inc. ICS), The School of Education, The Peter J. Tobin College of Business and College of Pharmacy and Health Sciences):

In a brief narrative below, describe your plan to contribute to scholarship, research or creative activity in your discipline.

NOTE: THESE ARE THE SAME INSTRUCTIONS

OR

G. Plan for Professional Growth (to be completed by ALL faculty members in the College of Professional Studies and the University Libraries):

In a brief narrative below, describe your plan to achieve professional growth in your discipline.

WHETHER YOU COMPLETE SECTION F or SECTION G - NOTE: THE INSTRUCTIONS FOR BOTH ARE THE SAME

- You will only be filling out ONE of these. DELETE the other letter and its instructions from your PAF and put N/A for whichever one you deleted in your table of contents.
- F or G = A PLAN FOR GROWTH: You provide a overarching plan (ideas/seeds) appropriate to your discipline (maybe academic, maybe professional)
- From year to year the basic narrative of Section F (or G) may stay the same, but the wording should be updated to reflect progression commensurate with your current request for reappointment, promotion or tenure.
- It can be a glimpse into what you EVENTUALLY want to happen - what you are planning to do and/or what you have already started doing.
- If you had a Research Leave where you worked on current projects, it goes here.
- Keep your descriptions readable for members of the committees who are not in your discipline. Long equations are not meaningful to those outside of your discipline.

H. Significant Research (a.k.a. pipeline)

1st and 2nd year applicants at the rank of Instructor or Assistant Professor, only fill out if applicable (if none, so state).

H(i)

Describe below in narrative form your significant research, indicating dates where possible.

Try to avoid redundancy with F or G by focusing more on what activities have begun... using actual examples ...the seeds (ideas from the sections above) have started to produce results, some you let grow, others you may get rid of and start on a different path...

THIS SECTION SHOULD BE A NARRATIVE

REMEMBER TO RESPOND TO BOTH

H(ii)

List articles and/or books submitted but not yet accepted for publication (your "pipeline") in reverse chronological order and include copies of same as part of your support material. In the case of co-investigated or co-authored research or submitted publications, you MUST indicate the identity of the person according to the chart below and each person's percentage of contribution to all work.

THIS SECTION SHOULD BE A LISTING

OTHER TIPS

- it is ok to cross reference (see below)
- make your PAF easy to read -
 - not too technical
 - pleasing to the eye
- Although neatness helps- substance is always valued over form! So if your accomplishments do not fit neatly into a section on this form, as long as you express them somewhere in a neat, readable fashion, the committee will consider them.
- Use last year's PAF and add to it this current year's accomplishments.
- This is a word document - you can add headings or categories as necessary, however, don't over do it - it is the statutory requirements for your rank that must be illustrated.

CROSS REFERENCING:

The University recognizes that all 3 of these Components of Scholarship at St. John's, **Service, Research & Teaching**, CAN overlap on occasion.

The solution is to CROSS REFERENCE them, with CARE. If overused it will look like you are padding your portfolio.

Example: Teaching in an Academic Service Learning course may include serious research you are conducting on site with your class. In this case, put it in Teaching and Cross Reference it in Research. It is perfectly acceptable to list all three of these items under their respective headings as long as they are cross referenced parenthetically
