Meet Your Orientation Leaders

Much of your time during New Student Orientation is spent in peer groups led by orientation leaders. These leaders serve as a resource for you. This is also a time to meet other students who will experience college life with you. Please take advantage of this opportunity to ask questions of your orientation leaders about their experiences at the University.

Friends: The College Years—Student Wellness

"Johnnies look out for Johnnies" as we promote a culture of upstanders who step in when they see a peer in distress. In this session you have the opportunity to explore hard to discuss yet essential topics for college students: alcohol use, sexual violence, and mental health concerns, as well as learn about the services within Student Wellness including Wellness Education and Prevention; the Center for Counseling and Consultation; Sexual Violence, Outreach and Response (SOAR); Student Health Services; the Office of Disability Services; and Campus Recreation.

Noon–12:50 p.m.

Academic Connections: Faculty Tips for Success

Learn from University faculty members who help familiarize you with the collegiate environment and academic expectations. Faculty demonstrate how intellectual experiences within the classroom connect to your future goals and life beyond St. John's.

1–1:50 p.m.

2–5:10 p.m. Rotating Sessions

Ignite the Fire, Catch the Spirit

Campus Ministry welcomes all religious traditions. As a community of faith, service, and friends, Campus Ministry takes seriously its unique role in expressing St. John's distinctive identity as a Catholic and Vincentian institution as embodied in the University's mission. You gather at the heart of the campus, St. Thomas More Church, where you meet our campus ministers. They share the many opportunities to be involved in faith, service, social justice, leadership, and the community.

Share the TEA!

Learn about the Teachings for Empathy and Awareness (TEA), which are essential for cultivating cultural competency skills. Representatives from the Office of Multicultural Affairs explain their role in creating an inclusive and affirming campus environment.
