MEMORANDUM OF UNDERSTANDING

The Unions and the Administration have agreed to continue to suspend Section 3.04 (d) of the University Statutes for the 2021-2022 Academic Year in the following manner:

Suspend current University Statutes §3.04 (d) which states, "Proxy or mail voting shall not be permitted; provided, however, that eligible faculty who are assigned to teach on a campus other than the campus where the election is being held may participate in the election by mail ballot sent to the Chairperson of the Department. (emphasis added)"

And continue the use of the voting procedures adopted during the spring 2020, fall 2020 and spring 2021 semesters which are:

• VOTING DURING VIRTUAL MEETINGS : GENERAL ITEMS

E-mail is an acceptable form of voting for curricular or other non-personnel related items. Each department may formulate its own processes. If there is an internal disagreement on a policy that cannot be resolved, the Chair determines the process, subject to the approval of the Dean.

• VOTING DURING VIRTUAL MEETINGS : ELECTIONS/PERSONNEL ACTIONS

Meetings must be virtual and synchronous and voting must take place in real time after appropriate discussion (ensuring technology does not become a hindrance to voting – instructions must be provided to all faculty members using the method that is being used). The Office of Institutional Research will work with a designee from the Dean's office or with the Chairperson for Departments/Divisions meetings to create ballots that will ensure confidentiality

This provision will be reviewed and renewed each academic year with the agreement of all parties

Revert back to Section
3.04(d) as written

3.04 Faculty Voting Rules

- a. An Eligible Faculty member may not vote on any matter concerning his/her reappointment, promotion, conferral of tenure or in any matter involving a conflict of interest.
- b. Each Eligible Faculty member shall cast his or her vote on the applicable official voting form.
- c. All elections shall be by secret ballot.
- d. Proxy or mail voting shall not be permitted; provided, however, that eligible faculty who are assigned to teach on a campus other than the campus where the election is being held may participate in the election by mail ballot sent to the Chairperson of the Department.
- e. The appropriate dean or department chairperson or director shall certify the results of all faculty elections to the President of the University within one week of the election.

MEMORANDUM OF UNDERSTANDING

With regard to the reappointment of probationary faculty members, the Unions and the Administration have agreed to suspend §8.02 (f) and §8.03 (e) during the 2020-2021 Academic Year. Namely,

§8.02 (f) "During the probationary period a faculty member may be notified of non-reappointment without specifications of cause"

§8.03 (3) "The decision by any committee to deny reappointment of a faculty member who is on probationary status in any rank shall terminate the procedure without further review."

Instead, probationary faculty members applying for reappointment will follow the same process in the Statutes as non-probationary faculty members.

This provision will be reviewed and renewed each academic year with the agreement of all parties.
