

## Teacher Vacancies 2023-2024

Ganeinu Academy is a growing Jewish, STEAM based, Reggio-inspired Elementary program in Queens that is dedicated to providing quality student-centered education, interactive learning and memorable experiences. We are looking for passionate teachers to inspire and be part of a great team for our lower elementary classrooms.

Ganeinu Academy prides itself on offering excellent working conditions to its employees including professional development, flexible work arrangements, small class size and opportunities to progress in the profession.

**Requirements:** Teacher Certification and/or Master of Science degree and completion of education courses. New graduates are encouraged to apply.

**Competitive salary with region and benefits package.**

If you are a qualified and passionate teacher dedicated to educating the future with care, please send your cover letter and resume to [ganeinuinfor@gmail.com](mailto:ganeinuinfor@gmail.com).

For further information regarding this opportunity, feel free to contact Shevy Kogan, Principal at 347-603-5137.
