

## GLOBAL DESTINATION COURSE

### EUROPE - SPRING 2024

**RMI 650 (Re) Insurance Leadership the Global Market**  
*Requires an online application and an interview*

Students accepted into this program will travel to: Zurich, Munich, and London, and will visit the headquarters of leading insurance companies overseas. This course prepares students for professional careers in risk management and insurance via discussions about US and foreign insurance and reinsurance operations in target countries. Classes will be delivered in a hybrid learning format with selected face-to-face meetings in Manhattan. The course anticipates a separate weekend trip to Bermuda in March 2024.

**Approximate Travel Dates:** February 23 - March 3, 2024

**Program Fee:** \$500 (including airfare)

**Eligibility Criteria:** GSRM Graduate students will be selected by the professor and asked to complete a questionnaire and interview. Eligible ILOTY students will receive \$500 as part of the fellowship.
