

ST. JOHN'S UNIVERSITY

Meet the Career Peers

Abdullah Al-Bayati Junior, CCPS

Information Technology Major

In my time on campus I have gotten very involved around campus as an international student! I am an Ozanam Scholar, which is a scholarly group and our focus is on Social Justice research. Additionally, I am a former Orientation Leader, a study abroad candidate, a current Resident Assistant, and now a Career Peer! A fun fact about me: I can solve a Rubik's Cube!

Cecilia Bottino Junior, Tobin

Business Analytics Major

I am a third-year Business Analytics major with a minor in International Management. I am a Financial Analyst on the Budget Committee of SGi and I have my own radio show on WSJU Radio. My future career goal is to be a consultant.
