

I want to prioritize

getting my essential documents in order

Whatever your goals, CCA@YourService can assist!

Wills, trusts, and estate planning can be confusing. If you don't consider yourself wealthy or old enough, you might think you don't need to learn about them. But that would be putting your independence and self-sufficiency at risk. Having your affairs in order can provide the peace of mind and protection you and your family deserve. Let **CCA@YourService** assist:

- Free 30-minute phone consultation with an attorney by phone or in person
- Referrals to attorneys who can manage your case should you need additional legal counsel
- Free, one-year subscription to *Quicken WillMaker & Trust* software, available in the online Legal/Financial Center
- Online library of DIY legal forms and articles on popular legal topics

ALWAYS AVAILABLE. ALWAYS CONFIDENTIAL.
