

St. John's Semester in Paris

Fall 2024: French Student Visa Checklist, Details, & Tips

As a participant in St. John's Semester in Paris for Fall 2024, you are responsible for obtaining a French student visa by **July 15th**.

A French student visa is required for most students traveling to France for more than 90 days. To receive a student visa, students must complete the Campus France application and then present their passport to the French consulate. Students will receive their passport back with the visa attached inside. Though the student visa process may look daunting at first, **the requirements are very straightforward**. OIE will provide some of the necessary documents and we can also make sure your application is completely in order before you submit it. This may not be the most fun part of studying abroad, but it'll be a notch in your experience that you can consider a **transferable skill**. The next time you travel and require a visa, it'll seem like a piece of cake.

The French student visa process is divided in two parts:

1. The first step is to complete the **Campus France Application**
2. The next step is to **schedule a visa appointment with the French Consulate** by July 15th

Note: **You CANNOT schedule a visa appointment at the French Consulate until you complete Campus France and receive your Campus France Reference Number, which typically takes 3 weeks.** Please plan enough time to complete Campus France, schedule your visa appointment, and receive your passport in the mail with your affixed visa.

PART 1 – CAMPUS FRANCE

Step 1: Gather your documents:

1. **Passport**
 - Scan of passport (ensure file size is under 300kb)
 - Your passport must be valid until March 20, 2025
 - If your passport is expired or your passport will expire before March 20, 2025, please start your renewal process as soon as possible as passport renewals can take up to several weeks
2. **Headshot** (under 50kb)
3. **Statement of Motivation**
 - Short essay explaining why you want to study abroad. Your essay should include how your time in France will benefit your professional and academic goals. The essay can be submitted in either French or Italian.
4. **Official Acceptance letter from academic program**
 - OIE will provide this to you by uploading it to your OIE student portal. It will include the details of your accommodation. Please check your OIE student portal documents to see if this letter has been uploaded. If not, email OIE at studyabroad@stjohns.edu requesting that your letter be uploaded. OIE will need a minimum of 2 business days to upload the letter, so make sure to check in advance of when you need the letter!

Step 2: Complete Etudes en France (Campus France) application

1. This guide will help you complete the simple, pre-consular application required for all international students going to France.
 - a. Below you will find step-by-step instructions on
 - i. [Creating an account on Etudes en France](#)
 - ii. [Completing an Etudes en France application](#)
 - iii. [Accessing your Etudes en France Application](#)

Step 3: Pay Campus France

1. To begin review of your application, you will pay the application fee of \$250 for regular 3-week processing, or \$390 for expedited 3-day processing. Paying the fee allows the Campus France USA team to begin to review your application. You can [pay the application fee](#) on this link.

Step 4: Review and Confirm

1. Once your Etudes en France pre-consular application is reviewed, you will receive a confirmation email from campus France. The length of time for you to receive the confirmation depends on the processing time you chose. Print this confirmation email and bring it to your visa appointment. You will also print an electronic acceptance letter PDF generated by the application.

Having trouble? Here are some tips:

The Etudes en France application platform is optimized for Firefox. If you have trouble accessing the application or have any technical issues, use Firefox after clearing the cache of your browser.

Use the Etudes en France messaging system to contact Campus France USA with questions during your application process.

Important Notes on this Process

- The Campus France USA team is only able to begin processing your application after you have submitted your DocBox. Please ensure that you SUBMIT your payment receipt and acceptance letter on DocBox.
- You need a unique ID number generated by Etudes on France to submit your DocBox, which is why you need to complete the Etudes en France application first.
- After you receive the confirmation email, you can move forward to complete a student visa application via France-Visas and schedule a visa appointment with VFS.

11. **One Original + One Copy of Proof of Financial Support**

All Proof of Financial Support documents must be recent. Recent means issued within 30 days prior to your visa appointment date. ***In prior semesters, many students have been asked to show a balance of \$2,990 USD, please do so if at all possible.*** Students are responsible for checking the currency exchange rate prior to their visa appointment.

- **(3) Student Bank Statements;**
 - Verifying student's personal checking and/or savings account has the equivalent of at least 2,460 Euros (or 615 Euros per month of stay) in France. **Students are responsible for checking the currency exchange rate prior to their visa appointment.** Proof of Financial Support must be provided to VFS Global as **3** actual bank statements **for the 3 consecutive months prior to the date of the visa appointment**, not a screenshot printout from online. This can be a joint bank statement between the student and another person, so long as the student's name is listed on the bank statement.

or

- **(3) Bank Statements of a Relative or Friend Supporting You Financially Plus Financial Guarantee Form;**
 - (A) **Guarantor Bank Statement:** verifying 2,460 Euros (615 Euros per month of stay) in the Guarantor's personal checking and/or savings account **for 3 consecutive months prior to the date of the visa appointment** (the Guarantor is your relative or friend who will support you financially); plus

- (B) A completed **Financial Guarantee Form**, which *must be notarized*. If the Guarantor's bank statement is a *joint account* held with another individual, the Financial Guarantee Form only needs to be completed by **one** person whose name is listed on that joint bank account.

or

- **Office of Student Financial Services Letter** verifying that the student has a credit/remaining balance of at least 2,460 Euro (615 Euros per month of stay) that will be dispersed to the student **after** tuition and fees are covered;
 - **Please be advised that VFS Global prefers Option 1 or 2 as some students who have shown proof of financial support via financial aid have been asked for alternative sources of funding.**

Proof of Financial Support Tips!

- Where payment is indicated as Euros, students are responsible for checking the exchange rate prior to their visa appointment to make sure they are showing the most accurate amount in USD.
- The bank statement cannot be a screenshot from your bank's website. However, if you receive your monthly bank statement electronically in PDF format, a printout of this PDF is acceptable. In addition, the printout from the internet will not be accepted by the French Consulate unless the name of the bank and the name of the account holder are clearly stated.
- Bank Statements for retirement accounts or stock portfolios are not accepted by the French Consulate
- What does it mean when it says the Financial Guarantee Form must be notarized?
 - When a document is notarized, it means that a Notary Public has watched you sign the document and puts a stamp on it verifying that your signature is authentic.
 - The Notary cannot be someone you are related to.
 - Most bank branches have a notary and will provide their services at no charge if you are a bank customer.

12. One Copy, Visa Fee Payment

- You will pay the VFS Global fee approximately \$30 when you schedule the VFS Global visa appointment online.
- A visa fee of approximately \$60 may be paid by Visa or MasterCard during your VFS Global appointment. Personal checks/cash are not accepted.
- There is a fee of \$35 for express mailing of your passport once your visa has been processed. If you live close to the VFS Global Center, you may choose to return to VFS to pick up your passport and visa in person when it is ready, in which case you would not pay this fee.
- Expect the total cost of the French student visa process, including Campus France, to be between \$340 and \$515, depending on services selected.

12. One, Copy, Pre-registration certificate generated by EEF- Pastel

- The PDF is generated when Campus France has processed your Etudes en France application
- This document will be entitled 'Confirmation d'acceptation'
- To find this document, log-n to your Etudes en France account. From the Welcome page, click on your application tab (either 'Not Yet Accepted' or 'Already Accepted' depending on your application type), and click on 1 – Finalize the procedure. The PDF icon will be under the Select a Program section.

13. **Attend** your visa appointment at the VFS Global Center. The NY location is 145 West 45th Street, 4th Floor, New York, NY 10036. The address for **other VFS Global Centers** is available here: <https://visa.vfsglobal.com/usa/en/fra/attend-centre>

14. Pick up your Passport and Visa

- At the end of your visa appointment, you will receive instructions on how you will be notified to pick-up your passport and visa. It could take 6 weeks or more for visas to be processed and ready for pick-up.
- Before leaving VFS Global, be sure to double check that your name is spelled correctly on your visa and that it is issued for the correct program dates.
- You will also be given an option to pay for your passport and visa to be returned to you via mail.

16. **Upload** a scanned copy of your French visa to your OIE "Visa Copy" Questionnaire.

17. **Bring copies of your OIE Acceptance Letter and Proof of Financial Support to Paris**, as an immigration official may request to review this as additional support for your visa.
