This insurance does not apply to the extent that trade or economic sanctions or other laws or regulations prohibit Us from providing insurance, including, but not limited to, the payment of claims.

New York Mandated Benefits

We will comply with New York State mandated benefits and will not deny coverage if a proper claim is submitted for a Covered Accident or Sickness under this Policy.

Claims Provisions

Notice of Claim: A claimant must give Us or Our authorized representative written (or authorized electronic or telephonic) notice of claim within 90 days after any loss covered by this Policy occurs. If notice cannot be given within that time, it must be given as soon as reasonably possible. This notice should identify the Insured and the Policy Number.

Claim Forms: Upon receiving written notice of claim, We will send claim forms to the claimant within 15 days. If We do not furnish such claim forms, the claimant will satisfy the requirements of written proof of loss by sending the

written (or authorized electronic or telephonic) proof as shown below. The proof must describe the occurrence, extent and nature of the loss.

Proof of Loss: Written proof of loss must be furnished to Us at Our office in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss within 90 days after the termination of the period for which We are liable and in case of claim for any other loss within 120 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Claimant Cooperation Provision: Failure of a claimant to cooperate with Us in the administration of a claim may result in the termination of a claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Time Payment of Claims: Any benefits due will be paid when We receive written (or authorized electronic or telephonic) proof of loss.

Payment of Claims: If the Insured dies, any death benefits or other benefits unpaid at the time of the Insured's death will be paid to the beneficiary our records indicate the Insured designated for these plan benefits. If no named beneficiary or surviving beneficiary is on record with Us or Our authorized agent, death proceeds will be paid to the beneficiary the Insured has designated under the Group Life Insurance Policy issued to the Policyholder and in effect at the time of the Insured's death.

If there is no named beneficiary or surviving beneficiary on record under the Group Life Insurance Policy issued to the Policyholder or with us or Our authorized agent, We pay benefits in equal shares to the first surviving class of the following: 1) Spouse; 2) Children; 3) Parents; 4) Brothers and sisters. If there are no survivors in any of these classes, We will pay the Insured's estate.

All other benefits will be paid to the Insured. If the Insured is: (1) a minor; or (2) in Our opinion unable to give a valid release because of incompetence, We may pay any amount due to a parent, guardian, or other person actually supporting him or her. Any payment made in good faith will end Our liability to the extent of the payment.

If a Covered Loss is suffered by a Covered Person who resides outside of the United States, its territories and possessions and in a Country where the Company is not permitted to provide insurance without a License, the Company will pay benefits under the Policy to the Policyholder, who:

1. will hold such payment in trust for the sole use and benefit of the insured person or his or her beneficiary or other person to whom such benefits are payable ("Payee"); and
2. will remit such payment to the Payee in accordance with applicable law.

Any such payment the Company makes to the Policyholder is a full discharge of the Company's liability for the claim for which payment is made.

"Country" includes any political jurisdiction that independently regulates the licensing of insurance companies.

“License” or “Licensed” means with respect to any Country, authorized or otherwise permitted in accordance with applicable law to conduct the business of accident and sickness insurance in such Country.

Beneficiary: The Insured may designate a beneficiary. The Insured has the right to change the beneficiary at any time by written (or electronic and telephonic) notice. If the Insured is a minor, his or her parent or guardian may exercise this right for him or her. The change will be effective when We or Our authorized agent receive it. When received, the effective date is the date the notice was signed. We are not liable for any payments made before the change was received. We cannot attest to the validity of a change.

Assignment: At the request of the Insured, medical benefits may be paid to the provider of service. Any payment made in good faith will end Our liability to the extent of the payment.

Physical Examinations and Autopsy: We have the right to have a Doctor of Our choice examine the Insured as often as is reasonably necessary when a claim is pending. We also have the right to request an autopsy in the case of death, unless the law forbids it. We will pay the cost of the examination or autopsy.

Legal Actions: No lawsuit or action in equity can be brought to recover on this Policy: (1) before 60 days following the date proof of loss was given to Us; or (2) after 3 years following the date proof of loss is required.
