

## St. John's Semester in Rome

### Fall 2026 Italian Visa Checklist – Solo Visa Process

As a participant in St. John's Semester in Rome, you are required to obtain an Italian study visa. **You must schedule an appointment with the Italian Consulate for any day before July 1, 2026.**

#### IMPORTANT:

- **This checklist is only for the Solo Visa Process for the Italian Consulate in New York.** If you are an out-of-state student, you can go to another consulate if you can prove that you are a resident of that jurisdiction. Click [here](#) for a list of Italian Consulates in the U.S. and their jurisdictions.
- Please note that each consulate has its own application and requirements list. Hence, **we highly recommend you schedule at the New York consulate**, since being a full-time student in New York qualifies you for the New York jurisdiction. If you would like to obtain your visa at a different consulate, please email [oielisa@stjohns.edu](mailto:oielisa@stjohns.edu) for further assistance.
- If your passport is from any country other than the United States, Canada, France, Germany, Japan, or the United Kingdom, then you **MUST** do the Solo Visa Process because you are required to be fingerprinted in person at the Italian Consulate.
- **The Solo Visa Process can take up to several weeks and requires you to submit your physical passport.** Therefore, please schedule your visa appointment 4-6 weeks ahead of any travel plans that require your passport because it might not be ready in time.

Please follow the steps below for the Solo Visa Process:

#### STEP 1 – BOOK YOUR VISA APPOINTMENT

- **DO NOT wait until May or June to start scheduling your appointment because appointments will be booked up by then. Please schedule your appointment as soon as you pay your program deposit.**
- The first step is to register an account on the Italian Consulate [website](#). The website will be in Italian; however, you can change the language to English at the top right corner. **We recommend you use your SJU email or a Gmail to register the account.** You will also be asked to select a consulate in the US. **For the New York consulate, please select “Stati Uniti D’America New York Consolato Generale Di Prima Classe D’Italia.”**
- **Once the account is registered, you will receive an email to confirm the account.** Then, you can go back to the website and log back in. Select “Book” and then for visa type, select “Study.” Upload a PDF of your valid passport and then check off that you have read and accept the privacy policy and click “Forward.”

- You will now see a calendar – all available days will be in green, and all unavailable days will be in red. Please select a day and time for your appointment. **Make sure you choose a day between February 25<sup>th</sup> and June 30<sup>th</sup>, so you have enough time to get your passport mailed back to you for departure.**
- Once your appointment is booked, you can start to gather all your required documents. Please note that the appointment booking DOES NOT confirm your appointment. **You will receive an email to confirm your appointment 2-7 days prior to your appointment date. You MUST confirm it or else your appointment will be canceled.**
- **Please enter your appointment date into your study abroad portal in the “Confirmed Visa Appointment Date” questionnaire** so that our team knows you are all set with this first step.

- Expect to have your cell phone taken at the entrance for security purposes.
- **Dress appropriately for a government building** – No crop tops, flashy clothing, pajamas, etc.
- Once it's your turn, simply hand in all your documents to the official and they will look over everything. Do not try to explain the documents; if they have a question, they will ask you.
- If you are missing something or there is a minimal error, you might be given an email address to resubmit the document.
