**GLOBE** is a student-managed academic program at St. John's University that provides \$500-\$2,000 loans to entrepreneurs in the developing world. Through GLOBE, students will gain valuable experiential learning by managing a microfinance social business and helping the poor and their families out of poverty. The course is open to all St. John's undergraduate, rising sophomores, juniors, and seniors with a minimum 3.0 GPA who are selected to take IB4312 for one semester. To apply for a seat in Fall 2026, please use the QR code provided. Key reasons to become a Student GLOBE Manager:

- Develop your leadership skills: Learn to manage a social business aligned with your values and build your resume.
- Make a global impact: Directly support the world's most vulnerable entrepreneurs. Empower entrepreneurs: Underwrite loans ranging from \$500 to \$2,000 to help applicants on three continents achieve their dreams.
- Use the QR Code at the top of this flyer to apply for Spring 2026. Or directly go to the application form: [GLOBE Fall 2026 Application – Fill out form](#)
