Accepted Students: Confirm NOW!
You’ve been accepted – the experience of a lifetime – why wait to confirm your spot?! Click here for step-by-step instructions on how to confirm your participation. You will have to submit your deposit, your Program Confirmation Form, your Student Agreement Form and your Health Disclosure Form. Discover the World (DTW) students will not be assigned a country rotation until they complete the confirmation process.

Apply for or Renew Your Passport!
A passport is required for all Global Studies programs and must be valid for at least 6 months after the program end date. It can take 6 to 8 weeks to get your passport so you’ll want to start this process now (if you haven’t already). Click here for a step-by-step guide for how to apply for a U.S. passport.

Checked out the Accepted Students Site?
Be sure to visit the Accepted Students Page! Not only does this site have some great information, but it’s also the source for the required forms, visa instructions, and program dates including orientation schedules. Don’t keep this wonderful site all to yourself – share it with your parents! We know they are eager to learn more! We even have Pre-Departure Orientation sessions designed especially for parents – a great opportunity for parents to get firsthand knowledge of your program. The orientation schedule is posted on the Global Studies website. Right now, if your parents missed our parent information sessions, they can review the presentation here.
