New York State Law Update on Immunizations (#0043-0000-19-005-L06-P) (0.1 CEU)

Maria Marzella Mantione, Pharm.D., BCGP, FAPhA, Associate Clinical Professor; St. John's University College of Pharmacy and Health Sciences; New York State Board of Pharmacy

At the conclusion, participants are able to:

- List the legal requirements for operating a pharmacy-based immunization service
- Describe the requirements for documentation and reporting of immunizations by a pharmacist
- Discuss recent legislative changes affecting pharmacists and interns as immunizers in New York State

9:45 – 10:45 a.m.

Vaccine Controversies in Children (#0043-0000-19-006-L06-P) (0.1 CEU)

Gladys El-Chaar, Pharm.D., Clinical Professor; St. John's University College of Pharmacy and Health Sciences; Pediatric Clinical Pharmacist, NYU Winthrop Hospital

At the conclusion, participants are able to:

- Describe the impact of vaccines on public health
- Explain barriers to immunizations in children
- List and address current controversies surrounding vaccines and their components in children

10:45 a.m. Break

11 a.m. – 12 p.m.

Improving Adult Vaccination Practices in New York City Pharmacies (#0043-0000-19-007-L06-P) (0.1 CEU)

Kathleen Blaney, MPH, RN; Adult Outreach Coordinator, NYC Dept. of Health and Mental Hygiene

Krishika Graham, MD, MPH; Adult Immunization Medical Specialist, NYC Dept. of Health and Mental Hygiene

At the conclusion, participants are able to:

- Describe and implement relevant components of the National Vaccine Advisory Committee (NVAC)'s Standards for Adult Immunization Practices in the pharmacy setting
- Describe current vaccination coverage rates among adults in New York City
- Describe the New York State regulations for pharmacy-based vaccination
- Use the Citywide Immunization Registry to assess vaccine history and document administered doses

12 – 1 p.m.

Buffet Lunch

1 – 2 p.m.

Pharmacists and Immunizations in New York State (#0043-0000-19-018-L06-P) (0.1 CEU)

Sarah Hershey, Adult & Adolescent Immunization Coordinator, NYS Dept. of Health, Bureau of Immunization

At the conclusion, participants are able to:

- Discuss the background of pharmacists in relation to immunizations
- Present current data and trends in pharmacists reporting to NYSIIS
- Discuss the outlook and future goals for pharmacists as immunizers in New York State

2 – 3 p.m.

Cultural Clues and The Patient Encounter (#0043-0000-19-008-L04-P) (0.1 CEU)

Sr. Annelle Fitzpatrick, CSJ, Ph.D., Associate Professor of Sociology, St. John's University

At the conclusion, participants are able to:

- Exhibit cultural awareness, sensitivity and knowledge of diverse immigrant populations
- Identify various modes of dress and anticipate a patient's concerns with regard to gender prohibitions
- Identify various religious objects and amulets that may identify a patient's cultural needs
- Explain dietary terms and regulations that may affect patient care in the healthcare setting

3 – 4 p.m.

Global Vaccine Action Plan 2011-2020: Where we were and where are we going?

(#0043-0000-19-019-L06-P) (0.1 CEU)

Joseph V. Etzel, Pharm.D., Associate Clinical Professor, Associate Dean, College of Pharmacy and Health Sciences, St. John's University

At the conclusion, participants are able to:

- Explain the need for a global vaccine action plan
- List at least 4 goals of the action plan with regards to vaccine usage
- Discuss reasons for the action plan not meeting its goals in some global regions
- Describe how shortcomings in the global plan can affect public health concerns domestically
- Discuss the CDC recommendations for the use of vaccines that are emphasized in the global action plan.

4 p.m.

Conclusion; Collection of CE forms
