Arizona, Florida and Maryland residents:

FOREWORD

Disability insurance provides individuals and their families with financial protection. The Disability Insurance Benefit described in this booklet will help secure your family's financial security in the event of your disability.

The need for disability insurance protection depends on individual circumstances and financial situations. A portion of the cost of this coverage is provided by your Employer. You may need to contribute to the remaining cost of coverage through payroll deduction so that your benefit program is more comprehensive and responsive to your needs.

The following pages describe the main provisions of the disability insurance plan available to you.

Insurance benefits described in the following pages will apply to you if your Employer has made this coverage available to you at no cost or you have elected the benefit and authorized payroll deduction for the required premium.
We, the CIGNA LIFE INSURANCE COMPANY OF NEW YORK, certify that we have issued a Group Policy, NYK-960363, to Saint John’s University.

We certify that we insure all eligible persons, who are enrolled according to the terms of the Policy. Your coverage will begin and end according to the terms set forth in this certificate.

This certificate describes the benefits and basic provisions of your coverage. You should read it with care so you will understand your coverage.

This is not the insurance contract. It does not waive or alter any of the terms of the Policy. If questions arise, the Policy will govern. You may examine the Policy at the office of the Policyholder or the Administrator.

This certificate replaces any and all certificates which may have been issued to you in the past under the Policy.

Nothing in this group policy will invalidate or impair the rights granted to holders of any certificates issued under this policy, under the terms of the certificate or by law.

WHO IS ELIGIBLE

Employee Eligibility
If you qualify under the Class Definition shown in the Schedule of Benefits you are eligible for coverage under the Policy on the Policy Effective Date, or the day after you complete the Eligibility Waiting Period, if later.

If you have previously converted your insurance under the Policy, you will not become eligible until the converted policy is surrendered. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in your Disability Insurance benefits based on age or a change in class unless those conditions no longer affect the amount of coverage available to you.

Except as noted in the Reinstatement Provision, if you terminate your coverage and later wish to reapply, or if you are a former Employee who is rehired after the time period shown for rehires under the Eligibility Waiting Period, you must satisfy a new Eligibility Waiting Period. You are not required to satisfy a new Eligibility Waiting Period if your insurance ends because you are no longer in an eligible class, but you continue to be employed by the Employer and within one year you become a member of an eligible class.

You must be in Active Service throughout the Eligibility Waiting Period to be eligible for coverage. The Eligibility Waiting Period will be extended by the number of days you are not in Active Service.

WHEN COVERAGE BEGINS

You will be insured on the date you become eligible, if you are not required to contribute to the cost of this insurance.

If you are required to contribute to the cost of your insurance you may elect to be insured only by authorizing payroll deduction in a form approved by the Employer and us. The effective date of your insurance depends on the date coverage is elected.

If you elect coverage within 31 days after you become eligible, during an Annual Enrollment Period, or within 31 days after a Life Status Change, your insurance is effective on the latest of the following dates.
1. The Policy Effective Date.
2. The date you authorized payroll deduction for this insurance.
3. The date the completed enrollment request is received by the Employer or us.
If your enrollment request is received more than 31 days after you are eligible to elect coverage, insurance is effective on the date we agree in writing to insure you. We will require you to satisfy the Insurability Requirement before we agree to insure you.

If you are not in Active Service on the date your insurance would otherwise be effective, it will be effective on the date you return to Active Service.
WHEN COVERAGE ENDS

Your insurance ends on the earliest of the dates below.
1. The date you are eligible for coverage under a plan intended to replace this coverage.
2. The date the Policy is terminated.
3. The date you no longer qualify under your Class Definition.
4. The day after the period for which premiums are paid.
5. The date you are no longer in Active Service.

CONTINUATION OF INSURANCE

This provision modifies the When Coverage Ends provision to allow insurance to continue under certain circumstances if you are no longer in Active Service. Insurance that is continued under this provision is subject to all other terms of the When Coverage Ends provisions.

Your Disability Insurance will continue if your Active Service ends because of a Disability for which benefits under the Policy are or may become payable. Your premiums will be waived while Disability Benefits are payable. If you do not return to Active Service, this insurance ends when your Disability ends or when benefits are no longer payable, whichever occurs first.

If your Active Service ends due to an approved leave pursuant to the Family and Medical Leave Act (FMLA), insurance will continue up to the later of the period of your approved FMLA leave or the leave period required by law in the state in which you are employed. Premiums are required for this coverage.

If your Active Service ends due to Sabbatical, insurance will continue for an Employee for up to 12 months. Premiums are required for this coverage.

If your Active Service ends due to Board-Approved Study for Advanced Degree, insurance will continue for an Employee for up to 12 months. Premiums are required for this coverage.

If your Active Service ends due to Board-Approved Work in Field Education or Research, insurance will continue for an Employee for up to 12 months. Premiums are required for this coverage.

If your Active Service ends due to Board-Approved Research and Scholarship Leaves of Faculty Positions, insurance will continue for an Employee for up to 12 months. Premiums are required for this coverage.

If your Active Service ends due to any other leave of absence approved in writing by the Employer prior to the date you cease work, insurance will continue for you for up to 60 days. Premiums are required for this coverage. An approved leave of absence does not include Furlough, Temporary Layoff or termination of employment.

If your Active Service ends due to any other excused short term absence from work that is reported to the Employer timely in accordance with the Employer’s reporting requirements for such short term absence, your insurance will continue until the earlier of:
- the date your employment relationship with the Employer terminates;
- the date premiums are not paid when due;
- the end of the 30 day period that begins with the first day of such excused absence;
- the end of the period for which such short term absence is excused by the Employer.
Notwithstanding any other provision of this policy, if your Active Service ends due to layoff, termination of employment or any other termination of the employment relationship, insurance will terminate and continuation of insurance under this provision will not apply.

If your insurance is continued pursuant to this When Coverage Continues provision, and you become Disabled during such period of continuation, Disability Benefits will not begin until the later of the date the Benefit Waiting Period is satisfied or the date you are scheduled to return to Active Service.

TAKEOVER PROVISION

This provision applies to you only if you are eligible under this Policy and were covered for long term disability coverage on the day prior to the effective date of this Policy under the Prior Plan provided by the Policyholder or by an entity that has been acquired by the Policyholder.

A. This section A applies to you if you are not in Active Service on the day prior to the effective date of this Policy due to a reason for which the Prior Plan and this Policy both provide for continuation of insurance. If required premium is paid when due, we will insure an Employee to which this section applies against a disability that occurs after the effective date of this Policy for the affected employee group. This coverage will be provided until the earlier of the date: (a) you return to Active Service, (b) continuation of insurance under the Prior Plan would end but for termination of that plan; or (c) the date continuation of insurance under this Policy would end if computed from the first day you were not in Active Service. The Policy will provide this coverage as follows:

1. If benefits for a disability are covered under the Prior Plan, no benefits are payable under this Plan.
2. If the disability is not a covered disability under the Prior Plan solely because the plan terminated, benefits payable under this Policy for that disability will be the lesser of: (a) the disability benefits that would have been payable under the Prior Plan; and (b) those provided by this Policy. Credit will be given for partial completion under the Prior Plan of Benefit Waiting Periods and partial satisfaction of pre-existing condition limitations.

B. The Benefit Waiting Period under this Policy will be waived for a Disability which begins while you are insured under this Policy if all of the following conditions are met:

1. The Disability results from the same or related causes as a Disability for which monthly benefits were payable under the Prior Plan;
2. Benefits are not payable for the Disability under the Prior Plan solely because it is not in effect;
3. The Benefit Waiting Period would not apply to the Disability if the Prior Plan had not ended;
4. The Disability begins within 6 months of your return to Active Service and your insurance under this Policy is continuous from this Policy’s Effective Date.
C. Except for any amount of benefit in excess of a Prior Plan's benefits, the Pre-existing Condition Limitation will not apply if you were covered under a Prior Plan and satisfied the pre-existing condition limitation, if any, under that plan. If you did not fully satisfy the pre-existing condition limitation of that plan, credit will be given for any time that was satisfied under the Prior Plan's pre-existing condition limitation.

Benefits will be determined based on the lesser of: (1) the amount of the gross disability benefit under the Prior Plan and any applicable maximums; and (2) those provided by this Policy.

If benefits are payable under the Prior Plan for the Disability, no benefits are payable under this Policy.

DESCRIPTION OF BENEFITS

WHAT IS COVERED

Disability Benefits
If you become Disabled, as we define the term in the Definitions section, while you are covered under the Policy, we will pay you Disability Benefits. After you are Disabled, you must satisfy the Benefit Waiting Period and be under the care and treatment of a Physician. Also, we ask you to provide us with satisfactory proof of your Disability, at your expense, before benefits will be paid.

We will require continued proof of your Disability for benefits to continue.

Benefit Waiting Period
The Benefit Waiting Period is the period of time you must be continuously Disabled before Disability Benefits may be payable. Your Benefit Waiting Period is shown in the Schedule of Benefits.

We will not require you to satisfy the Benefit Waiting Period if benefits were payable to you under a Prior Plan on the Policy Effective Date and you return to Active Service within 6 months after this Effective Date and are Disabled again within 14 days. Your later period of Disability must be caused by the same or related causes for your Benefit Waiting Period to be waived.

Termination of Your Disability Benefits
Your Disability Benefits will end on the earliest of the dates listed below.
1. The date you earn more than the percentage of your Indexed Covered Earnings which is used to determine if you are Disabled
2. The date we determine you are no longer Disabled
3. The date the Maximum Benefit Period ends
4. The date you die

Successive Periods of Disability
Once you are eligible to receive Disability Benefits under the Policy, separate periods of Disability resulting from the same or related causes are a continuous period of Disability unless you return to Active Service for more than 6 consecutive months.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes, or your later Disability occurs after your coverage under the Policy ends.

The Successive Periods of Disability provision will not apply if you are eligible for coverage under a plan that replaces the Policy.
Pre-Existing Condition Limitation
We will not pay benefits on account of any Disability which is caused or contributed to by, or results from, a Pre-Existing Condition, until 12 months after your most recent effective date of insurance. The Pre-Existing Condition Limitation will apply to any added benefits or increases in benefits.

A "Pre-existing Condition" means any Injury or Sickness for which you incurred expenses, received medical treatment, care or services including diagnostic measures, took prescribed drugs or medicines, or for which a reasonable person would have consulted a Physician within 3 months before his or her most recent effective date of insurance.

The Pre-existing Condition Limitation will not apply if you were covered under your Employer’s Prior Plan and satisfied the Pre-existing Condition limitation, if any, under that Plan. It will, however, apply to any amount of benefit in excess of a Prior Plan's benefits. If you were covered under your Employer's Prior Plan, but did not fully satisfy the Pre-existing Condition Limitation of that plan, credit will be given for any time you did satisfy.

In addition, if you provide satisfactory evidence that you were provided substantially similar coverage under another disability benefit plan through a date not more than 60 days prior to the effective date of your insurance under this Policy, then we will credit the period of time you were covered under the plan against the period of time during which coverage of pre-existing conditions is not provided under this Policy.

Disability Benefit Calculation
Your Disability Benefit for any month Disability Benefits are payable to you is shown in the Schedule of Benefits. We base our calculation of Disability Benefits on a 30 day period. Benefits will be prorated if payable for any period less than a month.

Work Incentive Benefit
For the first 24 months you are eligible for a Disability Benefit, your Disability Benefit is as defined in the Schedule of Benefits. If, for any month during this period, the sum of your Disability Benefit, your current earnings and any additional Other Income Benefits exceed 100% of your Indexed Covered Earnings, your Disability Benefit will be reduced by the excess amount.

After 24 months, your Disability Benefit is as shown in the Schedule of Benefits, reduced by 50% of your current earnings received during any month you return to work. If the sum of your Disability Benefit, your current earnings and any additional Other Income Benefits exceed 80% of your monthly Indexed Covered Earnings, your Disability Benefit will be reduced by the excess amount.

No Disability Benefits will be paid if we determine you are able to work under a Transitional Work Arrangement or other modified work arrangement, and you refuse to do so.

If you are working for another employer on a regular basis when Disability begins, your earnings will include the amount of any increase in the amount you are earning from this work while you are Disabled.

We will, from time to time, review your status and will require satisfactory proof of earnings and continued Disability.
Other Income Benefits
While you are Disabled, you may be eligible for benefits from other income sources. If so, we reduce the Disability Benefits payable by the amount of such Other Income Benefits payable due to the same disability.

Other Income Benefits include:
1. any amounts you or your dependents, if applicable, receive (or are assumed to receive*) under:
   a. the Canada and Quebec Pension Plans;
   b. the Railroad Retirement Act;
   c. any local, state, provincial or federal government disability or retirement plan or law as it pertains to your Employer;
   d. any sick leave or salary continuation plan of your Employer;
   e. any work loss provision in any mandatory "No-Fault" auto insurance.
2. any Social Security disability or retirement benefits you or any third party receive (or are assumed to receive*) either on your behalf or for your dependents; or, if applicable, which your dependents receive (or are assumed to receive*) because of your entitlement to such benefits.
3. any retirement plan benefits funded by your Employer. "Retirement plan" means any defined benefit or defined contribution plan sponsored or funded by your Employer. It does not include an individual deferred compensation agreement; a profit sharing or any other retirement or savings plan maintained in addition to a defined benefit or other defined contribution pension plan, or any Employee savings plan including a thrift, stock option or stock bonus plan, individual retirement account or 40l(k) plan.
4. any proceeds payable under any franchise or group insurance or similar plan. If there is other insurance that applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, we will pay our pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
5. any amounts you or your dependents, if applicable, receive (or are assumed to receive*) under any Workers' Compensation, occupational disease, unemployment compensation law or similar state or federal law, including all permanent as well as temporary disability benefits.
6. any amounts paid on account of loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise, where a third party may be liable, regardless of whether liability is determined.
7. any wage or salary for work performed while Disability Benefits are payable, to the extent they exceed the amount allowed under the Work Incentive Benefit.

Dependents include your spouse and children or step-children.

*See the Assumed Receipt of Benefits provision.

Increases in Other Income Benefits

After we make the first deduction for any Other Income Benefits, any cost of living increases for Other Income Benefits, except for wage or salary, will not further reduce your Disability Benefit during a period of Disability.

Lump Sum Payments

Other Income Benefits or earnings that are paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated monthly over a five-year period.

If no specific allocation of a lump sum payment is made, we will assume the total payment is an Other Income Benefit.
**Assumed Receipt of Benefits**

We will assume you or your dependents, if applicable, are receiving Other Income Benefits if you are eligible to receive them. We will estimate the amount of these assumed benefits on the basis of what you may be eligible to receive.

We will not assume your receipt of Other Income Benefits if you give us proof of the following events.
1. Application was made for these benefits.
2. Reimbursement Agreement is signed by you.
3. Any and all appeals were made for these benefits, or we have determined further appeals will not be successful.
4. Payments were denied.

We will not assume you have received, nor will we reduce your Disability Benefits by, any elective, actuarially reduced, or early retirement benefits under such laws until you actually receive them.

**Social Security Assistance**

We will, at our own discretion, assist you in applying for Social Security Disability Income (SSDI) benefits. Disability Benefits will not be reduced by your assumed receipt of SSDI benefits while you participate in the Social Security Assistance Program.

We may require you to file an appeal if we believe a reversal of a prior decision is possible. If you refuse to participate in, or cooperate with, the Social Security Assistance Program, we will assume receipt of SSDI benefits until you give us proof that you have exhausted all the administrative remedies available to you.

**Minimum Benefit**

We will pay the Minimum Benefit regardless of any reductions made for Other Income Benefits. However, if there is an overpayment due, this benefit may be reduced to recover the overpayment.

**Recovery of Overpayment**

If we overpay your benefits, we have the right to recover the amount overpaid by either requesting you to pay the overpaid amount in a lump sum or by reducing any amounts payable to you by the amount due. If there is an overpayment due when you die, we will reduce any benefits payable under the Policy to recover the overpayment.

**ADDITIONAL BENEFITS**

**Rehabilitation During A Period of Disability**

If you are Disabled and we determine that you are a suitable candidate for rehabilitation, you may participate in a Rehabilitation Plan. We must agree on the terms and conditions of the Rehabilitation Plan.

The Rehabilitation Plan may, at our discretion, allow for payment of your medical expense, education expense, moving expense, accommodation expense or family care expense while you participate in the program.

A "Rehabilitation Plan" is a written agreement between you and us in which we agree to provide, arrange or authorize vocational or physical rehabilitation services.
**Conversion Privilege for Disability Insurance Benefits**
If an Employee’s insurance ends because employment with the Employer ends, or an Employee is laid off or on an uninsured leave of absence, he or she may be eligible for conversion insurance.

To be eligible, an Employee must have been insured for Disability Benefits and actively at work for at least 12 straight months. An Employee must apply for conversion insurance within 62 days after insurance under this Policy ends, but if notice is given more than 31 days but less than 105 days after the event, the time period allowed for the exercise of the conversion privilege shall be extended to 45 days after giving notice. If such notice is not given within 105 days after the event, the time allowed for the exercise of the conversion privilege expires at the end of 105 days. Notice, for the purpose of this section, means written notice presented to the Insured by the Policyholder or mailed to the Insured’s last known address as reported by the Policyholder.

The benefits of the conversion plan will be those benefits offered at the time the Employee applies. The premium will be based on the rates in effect for conversion plans at that time.

Conversion insurance is not available if any of the following conditions apply:
1. the Employee is retired or age 70 or older;
2. the Employee is not in Active Service because of Disability;
3. the Policy is canceled for any reason;
4. the Employee is no longer in a Class of Eligible Employees, but is still employed by the Employer.

**Pension Contribution Benefit**
We will pay a Pension Contribution Benefit of 15% of your Covered Earnings to your Employer's pension plan if you are Disabled. We will pay up to a Maximum Monthly Pension Benefit of $3,000. These Pension Contribution Benefits will begin and end at the same time as your Disability Benefits.

**Survivor Benefit**
We will pay a Survivor Benefit if you die while Disability Benefits are payable to you for a continuous period of Disability. The Survivor Benefit will equal 100% of the sum of the last full Disability Benefit payable to you plus any current earnings by which the Disability Benefit was reduced for that month. A single lump sum payment equal to 3 monthly Survivor Benefits will be payable.

Benefits will be paid according to the *To Whom Payable* section of the *Claim Provisions*.

**WHAT IS NOT COVERED**

We will not pay any Disability Benefits for a Disability that results, indirectly or directly, from:

1. suicide, attempted suicide, or self-inflicted injury.
2. war or any act of war, whether or not declared.
3. an Injury or Sickness that occurs while engaged in the activities of active duty service in the military, navy or air force of any country or international organization. An Injury or Sickness that occurs while engaged in Reserve or National Guard training is not excluded until training extends beyond 31 days.

We will not pay Disability Benefits for a Disability that results directly from the commission of a felony or attempted felony.
We will not pay Disability Benefits for any period of Disability during which you:

4. are incarcerated in a penal or corrections institution.
5. are not receiving Appropriate Care.
6. fail to cooperate with us in the administration of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit due.
7. refuse to participate in rehabilitation efforts as required by us.
8. refuses to participate in a Transitional Work Arrangement or other modified work arrangement. These work arrangements mean any work offered to you by the Policyholder, Employer, or an affiliated company while you are Disabled and which you are capable of performing as determined by us and your Physician. The work may be your own occupation or any occupation. The work arrangements include, but are not limited to: reassigned duties, work site modifications, flexible work arrangements, job adaptations, and special equipment. If benefits are not payable to you under this exclusion, and if at a later time your Disability prevents you from participating in such work arrangement, benefits will become payable according to the terms of the Policy.

CLAIM PROVISIONS

Notice of Claim
Written notice or notice by any other electronic or telephonic means authorized by us, must be given to us after a covered loss occurs or begins, or as soon as reasonably possible. If this notice is not given within a reasonable amount of time, the claim will not be invalidated or reduced if it is shown that such notice was given as soon as was reasonably possible. Written notice can be given at our home office in New York, New York or to our agent. Notice should include the Policyholder's name and policy number and the Insured's name and address.

Claim Forms
When we receive the notice of claim, we will send claim forms for filing proof of loss. If claim forms are not sent within 15 days after notice is received by us, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof or proof by any other electronic or telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision
If you fail to cooperate with us in our administration of your claim, we may terminate the claim. A claimant will be required to provide any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data
The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss
Written proof, or proof by any other electronic/telephonic means authorized by us, that Disability continues and of Appropriate Care by, or regular attendance by a Physician must be given to us at intervals required by us. Within 30 days of a request, such proof of continued Disability must be furnished to us.

We will not deny or reduce any claim if it: 1) is not reasonably possible to furnish the required proof within that period; and 2) is shown that such proof of loss was given as soon as was reasonably possible.
Time of Payment
Disability Benefits will be paid at regular intervals of not less frequently than once a month. Any balance, unpaid at the end of any period for which we are liable, will be paid at that time.

To Whom Payable
Any benefits that are payable for Disability will be paid to you. If any person to whom benefits are payable is a minor or, in our opinion, is not able to give a valid receipt, such payment will be made to their legal guardian.

If you die while any Disability Benefits remain unpaid, we may, at our option, make direct payment to the first surviving class of the following living relatives: spouse, children, parents, brothers and sisters; or to the executors or administrators of your estate. We may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release us from all liability for any payment made.

Physical Examination and Autopsy
We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions
No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic or telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time written proof of loss is required to be furnished.

Time Limitations
If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship
You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

ADMINISTRATIVE PROVISIONS

Premiums
The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

Your Grace Period
If your required premium is not paid on the Premium Due Date, there is a 31 day grace period after each premium due date after the first. If the required premium is not paid during the grace period, insurance will end on the last day for which premium was paid.

Reinstatement of Insurance
Your insurance may be reinstated if it ends because you are on an unpaid leave of absence. If your Active Service ended due to an approved leave pursuant to the Family and Medical Leave Act (FMLA) and Continuation of Insurance is not applicable, your insurance may be reinstated at the conclusion of the FMLA leave.
If your Active Service ends due to an Employer approved unpaid leave of absence, other than an approved FMLA leave, insurance may be reinstated only:
1. If the reinstatement occurs within 6 months from the date insurance ends, or
2. When returning from military service pursuant to the Uniformed Services Employment Act of 1994 (USERRA).

For insurance to be reinstated the following conditions must be met:
1. You must be in a Class of Eligible Employees.
2. The required premium must be paid.
3. We must receive a written request for reinstatement within 31 days from the date you return to Active Service.

Reinstated insurance will be effective on the date you return to Active Service. If you did not fully satisfy the Eligibility Waiting Period or the Pre-Existing Condition Limitation (if any) before insurance ended due to an unpaid leave of absence, credit will be given for any time that was satisfied.

GENERAL PROVISIONS

Entire Contract
The Policy, the application of the Policyholder (a copy of which is attached at issue), the Policyholder endorsements, riders, certificate and attached papers constitute the entire contract between the parties. If an application of any Employee is required, it may also be made a part of this contract, at our option. Nothing in this Policy will invalidate or impair the rights granted to any certificateholders by their certificates or by law.

Incontestability
All statements made by the Policyholder, or by an Employee are deemed representations and not warranties. No statement will cause us to deny or reduce benefits or be used as a defense to a claim, unless a copy of the written instrument, signed by the claimant, containing the statement is, or has been, furnished to such person while such person is still living. In the event of his death or legal incapacity, the beneficiary or representative must receive a copy. After two years from the Employee's effective date of insurance, no such statement will cause insurance to be contested except for non-payment of premium. This also applies to any added or increased benefits, from the effective date of the addition or increase in benefits.

Misstatement of Age
If your age has been misstated, we will adjust all benefits to the amounts that would have been purchased for the correct age.

Workers' Compensation Insurance

YOUR RIGHTS AS SET FORTH BY ERISA

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.
Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefit Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefit Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefit Security Administration.

WHAT YOU SHOULD DO AND EXPECT IF YOU HAVE A CLAIM

The Plan Administrator designates and names the Insurance Company the named fiduciary for deciding claims and appeals for benefits under the Plan. The Insurance Company shall have the authority, in its discretion, to interpret the terms of the Plan, to decide questions of eligibility for coverage or benefits under the Plan, and to make any related findings of fact. All decisions made by the Insurance Company shall be final and binding on Participants and Beneficiaries to the full extent permitted by applicable law.

Claims for Disability Benefits (applies to all claims filed on or after April 1, 2018)

A disability “claim” is any claim which requires a determination of disability by the Insurance Company regardless of the type of policy under which it arises (for example, short/long term disability, waiver of premium, etc.). A disability claim is “filed” as of the date the Insurance Company first receives, in writing (including electronically) or by telephone (through the Insurance Company’s intake department), notice that a claimant is seeking disability benefits under the Policy. The notice of claim received should provide the date of disability/loss, the claimant’s name and address, and the group Policy holder’s name and address. Properly filed claims will be decided with independence and impartiality.

The Insurance Company has 45 days from the date it receives a claim for disability benefits to determine whether or not benefits are payable in accordance with the terms of the Policy. The Insurance Company may require more time to review the claim if necessary due to matters beyond its control. The review period may be extended for up to two additional 30 day periods. If this should happen, the Insurance Company must provide its extension notice in writing before expiration of the current decision period, explaining the circumstances requiring extension and the date a decision is expected. If the extension is made because additional information must be furnished, the claimant has 45 days within which to provide the requested information and the time for the Insurance Company’s decision shall be tolled (stopped) from the date on which the notification of the extension was sent until the date the Insurance Company receives the claimant’s response or upon the date the requested information is required to be furnished expires, whichever is sooner.

During the review period, the Insurance Company may require a medical examination of the claimant, at its own expense, or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the claimant of the date and time of the examination and the physician’s name and location. If additional information is required, the Insurance Company will notify the claimant, in writing, stating what information is needed and why it is needed.
If the claim is approved, the Insurance Company will pay the appropriate benefit. If the claim decision is adverse, in whole or in part, the Insurance Company will provide written or electronic notice which will include the following information:

1. The specific reason(s) for the decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A description of any additional information required to perfect the claim, and the reason this information is necessary;
4. A description of the review procedures and the time limits applicable to those procedures, including a statement of the claimant’s right to bring a civil action under section 502(a) of ERISA after the claimant appeals and after the claimant receives an adverse decision on appeal;
5. A discussion of the decision, including an explanation of the basis for disagreeing with or not following: (i) the views presented by the claimant to the Insurance Company of the health care professionals treating the claimant and vocational professionals who evaluated the claimant; (ii) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the claimant’s adverse benefit decision, without regard to whether the advice was relied upon in making the benefit decision; and (iii) a disability decision regarding the claimant presented by the claimant to the Insurance Company made by the Social Security Administration;
6. Either the specific internal rules, guidelines, protocols, standards or other similar plan criteria the Insurance Company relied upon in making the decision, or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar plan criteria do not exist;
7. If the adverse decision is based upon medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the decision, applying the terms of the Policy to the claimant’s medical circumstances, or a statement that such explanation will be provided free of charge upon request;
8. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits; and
9. A notice provided in a culturally and linguistically appropriate manner, to the extent required by ERISA.

**Appeal of Denied Disability Claims (applies to all claims filed on or after April 1, 2018)**

Whenever a claim decision is fully or partially adverse, unless ERISA provides otherwise, the claimant must appeal once to the Insurance Company. As part of the claimant’s appeal, the claimant may receive, upon request, free of charge, copies of all documents, records, and other information relevant to the claim for benefits, and the claimant may submit to the Insurance Company, written comments, documents, records, and other information relating to the claim. The review will take into account all comments, documents, records and other information the claimant submits related to the claim, without regard to whether such information was submitted or considered in the initial claim decision. Once an appeal request has been received by the Insurance Company, a full and fair review of the claim appeal will take place.

A written request for appeal must be received by the Insurance Company within 180 days from the date the claimant received the adverse decision. If an appeal request is not received within that time, the right to appeal will have been waived. The Insurance Company has 45 days from the date it receives a request for appeal to provide its decision. Under special circumstances, the Insurance Company may require more time to review the claim and can extend the time for decision, once, by an additional 45 days. If this should happen, the Insurance Company must provide the extension notice, in writing, before expiration of the initial decision period, indicating the special circumstances and the date a decision is expected. If the extension is made because additional information must be furnished, the claimant has 45 days within which to provide the requested information and the time for the Insurance Company’s decision shall be tolled (stopped) from the date on which the notification of the extension was sent until the date the Insurance Company receives the claimant’s response or upon the date the requested information is required to be furnished expires, whichever is sooner.
The review will give no deference to the original claim decision. The review will not be made by the person who made the initial claim decision, or a subordinate of that person. When deciding an appeal based in whole or in part upon medical judgment, the Insurance Company will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment. Any medical or vocational experts consulted by the Insurance Company for the review will be identified and will not be the expert who was consulted during the initial claim decision or a subordinate of that expert.

During the appeal, the Insurance Company may require a medical examination of the claimant, at its own expense, or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the claimant of the date and time of the examination and the physician's name and location. If additional information is required, the Insurance Company will notify the claimant, in writing, stating what information is needed and why it is needed.

Before the Insurance Company issues an adverse benefit decision on appeal, if the Insurance Company considered, relied upon, or generated any new or additional evidence in connection with the claim, and/or if the Insurance Company intends to rely on any new or additional rationale in connection with that review, then such evidence and/or rationale will be provided to the claimant, free of charge, as soon as possible and sufficiently in advance of the date that the decision on appeal is required to be made, giving the claimant a reasonable opportunity to respond.

If the claim is approved, the Insurance Company will pay the appropriate benefit. If the claim decision on appeal is adverse, in whole or in part, the Insurance Company will provide written or electronic notice that includes:

1. The specific reason(s) for the decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits;
4. A statement describing any voluntary appeal procedures offered, and the claimant’s right to obtain the information about those procedures;
5. A statement of claimant’s right to bring a civil action under section 502(a) of ERISA, including a description of any applicable contractual limitations period that applies to the claimant’s right to bring such an action, and the calendar date on which the contractual limitations period expires for the claim;
6. A discussion of the decision, including an explanation of the basis for disagreeing with or not following: (i) the views presented by the claimant to the Insurance Company of the health care professionals treating the claimant and vocational professionals who evaluated the claimant; (ii) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse decision, without regard to whether the advice was relied upon in making the adverse decision; and (iii) a disability decision regarding the claimant presented by the claimant to the Insurance Company made by the Social Security Administration;
7. Either the specific internal rules, guidelines, protocols, standards or other similar plan criteria the Insurance Company relied upon in making the decision, or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar plan criteria do not exist;
8. If the adverse decision is based upon medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the decision, applying the terms of the Policy to the claimant’s medical circumstances, or a statement that such explanation will be provided free of charge upon request; and
9. A notice provided in a culturally and linguistically appropriate manner, to the extent required by ERISA.
Claims for Non-Disability Benefits (applies to all claims filed on or after April 1, 2018)

A non-disability “claim” is any claim which does not require a determination of disability by the Insurance Company regardless of the type of policy under which it arises (for example, a death claim, an accident claim, etc.). A non-disability claim is “filed” as of the date the Insurance Company first receives, in writing or by telephone (through the Insurance Company’s intake department), notice that a claimant is seeking benefits under the Policy. The notice of claim should include the group Policy holder’s name, the Policy and Certificate number and the claimant's name and address.

The Insurance Company has 90 days from the date the claim is filed to determine whether or not benefits are payable in accordance with the terms of the Policy. The Insurance Company may require more time to review the claim if special circumstances exist. The review period may be extended for up to one additional 90 day period. If this should happen, the Insurance Company will provide the extension notice in writing, before expiration of the initial decision period, indicating the special circumstances and the date a decision is expected.

During the review period, the Insurance Company may require a medical examination of the claimant, at its own expense, or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the claimant of the date and time of the examination and the physician's name and location. If additional information is required, the Insurance Company must notify the claimant, in writing, stating what information is needed and why it is needed.

If the claim is approved, the Insurance Company will pay the appropriate benefit. If the claim decision is adverse, in whole or in part, the Insurance Company will provide written or electronic notice which will include the following information:

1. The specific reason(s) for the claim decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A description of any additional information required to perfect the claim, and the reason this information is necessary; and
4. A description of the review procedures and the time limits applicable to those procedures, including a statement of the claimant’s right to bring a civil action under section 502(a) of ERISA after the claimant appeals and after the claimant receives an adverse decision on appeal.

Appeal of Denied Non-Disability Claims (applies to all claims filed on or after April 1, 2018)

Whenever a claim decision is fully or partially adverse, the claimant must appeal once to the Insurance Company. As part of the claimant’s appeal, the claimant may receive, upon request, free of charge, copies of all documents, records, and other information relevant to the claim for benefits, and the claimant may submit to the Insurance Company, written comments, documents, records, and other information relating to the claim. The review will take into account all comments, documents, records and other information the claimant submits related to the claim, without regard to whether such information was submitted or considered in the initial claim decision. Once an appeal request has been received by the Insurance Company, a full and fair review of the claim appeal will take place.
A written request for appeal must be received by the Insurance Company within 60 days from the date the claimant received the adverse decision. If an appeal request is not received within that time, the right to appeal will have been waived. The Insurance Company has 60 days from the date it receives a request for appeal to provide its decision. Under special circumstances, the Insurance Company may require more time to review the claim and extend the time for decision, once, by an additional 60 days. If this should happen, the Insurance Company will provide the extension notice, in writing, before expiration of the initial decision period, indicating the special circumstances and the date a decision is expected.

If the appeal decision is adverse, in whole or in part, the Insurance Company will provide written or electronic notice that includes:

1. The specific reason(s) for the claim decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits;
4. A statement describing any voluntary appeal procedures offered, and the claimant’s right to obtain the information about those procedures, and
5. A statement of the claimant’s right to bring a civil action under section 502(a) of ERISA.
